

CAMERON WEAVER

Cameron Weaver is studying Political Science at American River College. During his campaign for student trustee in 2015, Cameron said: "There is no greater power than a unified student voice. No force more louder, no gesture more impactful. It has the power to change long-standing policy – it can even stop a war. My entire tenure as Student Trustee will be to bring this spirit back to our district with the guidance of the Board of Trustees and assistance of the student senates that represent our four campuses. Change is possible, and I'm going to put in the work to achieve it."
