*Family Educational Rights and Privacy Act (FERPA) requires that schools or districts contract with a vendor to act as the agent of the district or school, and therefore be authorized to access educational records under the "school official" exception. The product/application purchased from the vendors above have been determined by District Office Purchasing, District Office Information Technology, and Legal Counsel to have met the security and privacy controls to be FERPA compliant and written contractual agreements have been created and signed by all authorized parties.
