1.0 Authorization

- 1.1 The Los Rios Community College District Board of Trustees at the request of the Chancellor of California Community Colleges adopts a plan for Cooperative Work Experience Education. Such plan as adopted is included within appropriate Board policy and regulation. (Ed. Code 78240-78250; Ed. Code 84530; Title 5, section 55250-55257)

2.0 Cooperative Work Experience Education Defined

- 2.1 Cooperative Work Experience Education provides students with on-the-job experience in business, government, public agencies and industry.
- 2.2 Students receive related instruction at the college; employers and coordinators agree on progressive experiences for the students; and employers report on the progress of the students periodically. Based on these reports and the coordinator's evaluations, an assessment of the student's progress is made.
