California Vehicle Code (CVC) 40200.6 Requires the Board to establish written policies and procedures pursuant to which [the processing agency] shall provide services to the District. The District has entered into a written contract with Data Ticket, Inc. which identifies the services Data Ticket provides to the District. These services include receiving and processing parking citations, screening the citations for those that may be properly processed, collecting and depositing funds, identifying registered vehicle owners and verifying ownership, processing delinquency notices and registration holds, and scheduling the administrative reviews and hearings.

CVC 21113 Authorizes the Los Rios Community College District Police Department to enforce the California Vehicle Code and Board approved regulations upon the grounds designated for vehicle parking and traffic.
