This clarification consists of 1 page and corrects the answer to Question #2 from Addendum 1.

1. Would you be able to provide a little more information on the line items 7-1 thru 7-8. A spec sheet would be great or if you have thickness/length or manufacture name/part number.

**Response:** 7-1 through 7-3, 7-7 and 7-8: Refer to bid docs - they have size and part# listed. 7-4 through 7-6 should be equivalent to skinTEK Redwood powder free multi-purpose nitrile gloves; Medium item # 4217, Large item # 4218, XLarge item # 4219 – there is no thickness listed on the box.
