Full-Time Faculty
I. INTRODUCTION

In accordance with Ed Code 87360, the District Academic Senate and the District are committed to reaching agreement regarding the faculty hiring process. A high quality faculty is critical in establishing and maintaining the excellence of an educational institution. It follows, therefore, that the selection of new faculty members is one of the most important functions undertaken by a college or District.

A. Background

In the fall of 1986, the Shared Governance Committee completed a study of the full-time faculty hiring process in Los Rios and developed procedures which increased faculty participation and provided a uniform process for the entire District. One of the Committee's recommendations was that the Director of Human Resources prepare a handbook which would give detailed information regarding the hiring process.

The Director prepared the first version of this handbook in 1986. It was substantially revised in 1997, 2000, 2003, and 2009. In fall 2014 this manual was revisited for currency by the District Academic Senate and District Administration. The District Academic Senate and District Administration conducted thorough review and revision during spring, summer and fall 2015.

The handbook also provides specific information regarding recruitment, techniques of screening, interviewing, rating, and checking of references. Questions and requests for further information should be directed to Human Resources at 568-3101.

B. Legal Authority (P/R 5121 et. seq.)

Faculty hiring is governed by Los Rios Community College District Policies and Regulations 5120 et seq. This handbook is designed to assist faculty hiring committees, administrators, and candidates in understanding and implementing those policies and regulations. Nothing in this handbook should be considered as altering the content of the District's hiring policies and regulations, and to the extent that any provision here directly conflicts with policies and regulations, the policies and regulations will prevail. This document should be used as the final authority except in instances when a College President informs the Human Resources Department and the College Academic Senate President in writing why policies were not followed. (Ed Code 87360)

C. Diversity and Cultural Competence

Per Los Rios CCD Board Policy 5111, section 1.4,1 it is a goal of the District to provide members of underrepresented groups with models of their own race, ethnic, and cultural background and gender with whom they can identify and whom they can recognize as examples of occupational achievement at all levels and in all departments. Additionally, section 1.4.2 states a goal of the District is to guarantee to all candidates the same opportunity for employment, advancement, and change of assignment.

It is the District’s stance that taking active and vigorous steps to ensure equal employment opportunity and creating a working and academic environment which is welcoming to all,
will foster diversity, promote excellence and provide a positive student learning experience. Through an educational experience in an inclusive environment, our students will be better prepared to work and live in an increasingly global society (excerpt from District EEO Plan page ii).

It is the mutual expectation of the District Academic Senate and District that every individual who serves on a hiring committee strives to achieve these goals. To assist in achieving these goals and to facilitate a culturally competent workforce which values and enhances diversity, any employee who serves on a hiring committee shall have completed the District’s Title 5 mandated Diversity and Cultural Competence training for hiring committees.

D. Statement of Ethics/Confidentiality

1. The entire selection process requires the greatest sensitivity on the part of the committee members regarding the need for confidentiality.

2. The rights and reputations of the candidates must be protected. Ratings and comments made by committee members must not be shared.

3. In order to provide equal opportunities for all candidates, strict confidentiality must be maintained regarding the interview questions and the topic(s) of the work sample(s).

E. Leadership Titles

When the College President, Vice President or Academic Senate President is unavailable and/or unable to carry out their responsibility as noted in this manual, their designee shall carry out the responsibility on their behalf. “Designee” is not noted throughout this manual but it is inferred in all instances by this section.

F. Hiring Manual Review

This hiring manual shall be reviewed and revised at least every three years, and more frequently if necessary.
II. ESTABLISHING OF NEED AND PRIORITIZATION

A. Department Profile

As needed, the department faculty, department chair (if present), and appropriate administrator shall conduct an analysis of the full-time staffing of the department to determine current strengths and needs. Attention shall be given to:

1. Subjects and areas of the greatest strengths of the current staff; areas where additional experience is needed.
2. Representation of the staff with regard to gender and underrepresented group status.
3. Ratio of part-time to full-time positions.
4. Availability of part-time faculty.
5. Presence of a full-time faculty member to coordinate a program.

B. Summary of Projected Needs

The present and future needs of the department shall also be analyzed by the faculty, department chair and administrator of the requested position. The District Academic Senate (DAS) and District acknowledge that needs will vary by college and by discipline and therefore urge colleges to allow for flexibility in developing this section of the faculty request form. Suggested questions a department may consider include:

1. What are the enrollment trends in the classes within the subject area?
2. If an academic area, is the projected growth going to be in transfer level courses or in developmental courses?
3. If a career technical area, what are the employment trends?
4. If a student support area, what are the projected needs?
5. What are the needs for new technology? What new skills and information will need to be imparted to students now and in the future?
6. What are the diversity needs of the department?
7. How are identified needs tied to strategic planning processes (program review, educational master plan)?

C. Submission of Priorities and Creation of Final List

In the fall term, each college will make recommendations for new general fund faculty positions following its respective college hiring prioritization and related processes as determined by mutual agreement with the Academic Senate. After consideration of these recommendations, the College President shall prioritize the final staffing requests. (Note: Categorical (e.g. EOPS, DSPS, SSSP, etc.) and grant funded positions are determined by each college based on their available categorical and grant funds outside this prioritization process.)
D. Review and Recommendation by VPI/VPSS Council

The list of each college's final prioritized general fund faculty staffing request will be submitted to the District's Vice Presidents of Instruction and Vice Presidents of Student Services Council (council) for review and recommendation to the Chancellor. Council members include the College VPs of Instruction and Student Services, and typically the Vice Chancellor Education and Technology, the Vice Chancellor of Finance and Administration, and the Associate Vice Chancellors of Instruction, Student Services, and Human Resources. Prior to the council's staffing prioritization meeting held in early December, the Vice Chancellor of Finance and Administration will determine the number of faculty positions available District-wide for the following year. The number of available positions is based on the anticipated number of full-time faculty replacement positions (retirements and resignations approved through the end of the current academic year) and the number of new positions available due to growth funding. If a decrease to the general fund occurs or is anticipated to occur, some replacement positions may go unfunded. Colleges requesting general fund counselor positions must meet the 900:1 ratio requirements in order to have their positions considered. In addition, data on each college's 75/25 full-time to part-time faculty ratio will be provided with the intention of maintaining as balanced a ratio across all colleges as possible and to improve the full-time ratio when growth funding is available. The College VPs will present their respective prioritized lists and the council will come to a collective recommendation on the number of positions to allocate to each college. Colleges are not guaranteed a new faculty position for every known or anticipated faculty vacancy. The council submits its recommendation to the Chancellor. More details of the Council's processes are described in the LRCCD Guideline for Authorizing New and Replacement Faculty Positions.

E. Decision by Chancellor

The Chancellor will review the recommended list of faculty positions with the Chancellor's Executive Staff, which includes the College Presidents. Following this, the Chancellor will make the final decision as to which full-time tenure-track faculty positions are to be filled for the coming year.

F. Critical Hires

Although the majority of current and anticipated faculty vacancies are known when the December determination of District-wide available positions is made, some vacancies or other program needs may be unknown at this time. These include late or unanticipated retirements and resignations, late faculty transfers within the District, unanticipated vacancy of probationary faculty positions, or positions needed to implement new programs (e.g. time sensitive CTE grant funded programs). If a position is considered critical to offer the needed course sections or academic or student services due to program accreditation requirements, insufficient discipline adjunct pool, etc., the college may request a critical hire. Such requests must be for a replacement in the same discipline or for a newly-funded program. College administration and the Academic Senate, through their established college processes, will consult regarding the need to request a critical hire position. If agreed upon, the request is then submitted to the District for review. If the request meets the critical hire criteria as stated in the LRCCD Guideline for Authorizing New and Replacement Faculty Positions, the District will approve the request.
III. RECRUITMENT

A. Development of Announcement of Opening

1. The college administration shall forward to Human Resources the details of the proposed faculty assignment/job description and the proposed qualifications via PeopleAdmin. The job description shall not include department chair responsibilities as described in the Los Rios College Federation of Teachers (LRCFT) Collective Bargaining Agreement section 2.2.4.3.

2. The Director of Human Resources shall review the job description for clarity of proposed assignment, appropriateness of education requirements, and collective bargaining and equity implications.

3. The final position announcement shall be approved by the department chairs and appropriate administrator before it is formally posted and distributed by Human Resources. If there is a proposed change, both the department chair and appropriate administrator must approve the change. A college may request an Equity Officer’s review of the announcement.

4. Per the LRCFT Collective Bargaining Agreement (Article 5), the position may be announced in District for transfer requests as follows (Appendix 8):

   5.3.1.1 Preliminary Stage: There shall be three preliminary steps in the voluntary transfer process.

   a) As part of the college process for requesting a new full-time faculty position conducted at LRCCD colleges, full-time faculty within the department will reach consensus as to whether to review voluntary transfers. The department chair and appropriate administrator shall define faculty consensus. If a department does not have any full-time faculty or a new faculty position is without a designated department, the dean, in consultation with the Academic Senate President, will determine whether to review voluntary transfers.

   b) If voluntary transfer applicants are to be considered, Human Resources shall inform full-time faculty members via e-mail regarding the voluntary transfer deadline date. The District voluntary transfer deadline date shall be no later than three weeks earlier than the general application deadline date.

   c) Voluntary transfer applicants must submit to the District Human Resources office a Voluntary Transfer Request Form, an application used for general hiring, a resume and/or a letter of interest no later than the voluntary transfer deadline date. District Human Resources shall forward all voluntary transfer applications to the college requesting the position prior to the general application deadline date.

B. Distribution of Announcement (Board Regulation-5121)

1. Full-time, tenure-track faculty positions will be advertised for at least forty days.

2. Job announcements will be posted on the District’s website in accordance with board policies and regulations.

3. To ensure that members of underrepresented groups are notified of available positions, the District may:
a. Advertise in journals and newspapers with focused audiences as well as in newspapers having wide general circulation;
b. Contact members of underrepresented groups seeking work in business and industry;
c. Use professional registries and data banks, specifically those whose listings include underrepresented group members;
d. Consult with local underrepresented groups’ organizations and agencies regarding recruiting efforts.

4. The District shall be identified as an Equal Opportunity Employer.

C. Professional Recruitment

1. Faculty and managers are encouraged to use their professional networks to advertise open positions.

2. Faculty and managers are especially encouraged to seek out qualified members of underrepresented groups and encourage them to apply for open positions.

3. If Department Chairs request job posting be advertised in discipline specific publications, lists, websites, etc., Administrative Assistants will enter this information when submitting job postings to Human Resources.
IV. SCREENING FOR ELIGIBILITY (PRE-SCREENING)

A. Application Materials

1. The applicant must submit the required materials as listed in the job announcement by the final filing date to be considered. Required materials typically include: (a) Los Rios application, (b) personal resume or curriculum vitae, (c) unofficial copies of college transcripts, (d) letters of recommendation, (e) letter of interest, and (f) supplemental form (if applicable).

2. The hiring committee shall consider voluntary transfers if applicable under Article 5 of the LRCFT Collective Bargaining Agreement and follow the established process as defined in 5.3 (Appendix 8).

B. Qualifications

(below from Board Regs 5123 5.0)

Any applicant who fails to provide evidence to support his/her claim of a credential, or of minimum qualifications, or of equivalency may be eliminated from the applicant pool.

5.2 District Human Resource staff will verify that applicants claiming an appropriate credential do in fact have the appropriate credential, or that applicants claiming the required minimum qualifications show the appropriate degrees on their transcript. If there is an experience requirement, District Human Resource staff will verify that the applicant has the required number of years of experience, but will make no attempt to judge if the experience is appropriate.

5.2.1 If the applicant claims to possess the minimum qualifications, but the degrees are not exactly those listed in the Los Rios Community College District minimum qualifications, that application shall be considered under the equivalency process even though the applicant did not claim equivalency.

5.2.2 All applications which satisfy the credentials requirement or the LRCCD minimum qualifications requirement will be forwarded to the college screening committee.

5.3 District Human Resources staff will screen the remaining applications to determine whether or not the applicants meet the equivalency criteria per Board of Trustees regulations. Applications that meet these criteria will be forwarded to the college screening committee for equivalency determination.

7.1 The screening committee for each vacancy is charged with determining equivalency. The committee may decide to have a subset of the committee perform this function, but such a subcommittee must consist of at least three faculty members and the Area Dean from the discipline.

Applicants who do not meet the advertised minimum qualifications or equivalencies or credentials will be notified immediately via email by Human Resources.

The above equivalency processes shall be used for all faculty hiring (including but not limited to adjunct faculty, LTT’s and emergency hires).
C. Prescreening

If the applicant pool is sufficient, Human Resources shall prepare a list of all qualified applicants. The applications and a list will be made available electronically to the appropriate administrator. The District wishes to be as ecologically responsible as possible and encourages its employees to do the same by asking members of the screening committee to screen the applications online.
V. INTERVIEW COMMITTEE/SCREENING COMMITTEE

A. Confidentiality

1. The entire selection process requires the greatest sensitivity on the part of the committee members regarding the need for confidentiality in perpetuity.

2. The rights and reputations of the candidates must be protected. Ratings and comments made by committee members must not be discussed or shared outside the process.

3. In order to provide equal opportunities for all candidates, strict confidentiality must be maintained regarding the interview questions and the topic(s) of the work sample(s).

B. Composition of the Interview Committee (Board Regulation-5121)

1. The Interview Committee is comprised of a total of six to ten persons selected, as follows:
   a. Three to five discipline, related discipline, or outside discipline faculty members appointed by the College Academic Senate President after consultation with the department chairperson and appropriate administrator. Discipline faculty should represent the majority of members on the committee.
   b. The administrator of the department or area (usually the Division/Area Dean) appointed by the College President.
   c. The Equity Representative selected by the Equity Officer from a list of faculty who a) have been trained within the last two years in equity and diversity matters b) are not faculty in the discipline for which the hiring committee is convened, and c) have been approved by the Academic Senate President in consultation with the Equity Officer. In many cases, the Equity Officer will select an Equity Representative who has already been appointed to the committee by the Academic Senate President. In the interest of creating a committee which reflects the college’s commitment to diversity, the Equity Officer, in consultation with the Academic Senate President, may choose to add a faculty member to the committee from the approved list of Equity Representatives.
   d. An administrative representative appointed by the College President.
   e. A student representative if deemed appropriate by the committee. The college Student Senate President in collaboration with the College President will select the student who will participate during the interview process.
   f. A classified employee, for positions in which faculty work closely with classified staff. The determination of whether it is appropriate for a classified employee to sit on the committee shall be made by the College President in consultation with the Academic Senate President. The College President in collaboration with the classified leadership will select the classified employee.
   g. An outside content expert for positions in which no Los Ríos faculty content experts are available. The determination of whether it is appropriate for an outside content expert to sit on the committee shall be made by the College President in consultation with the Academic Senate President. The College President in collaboration with the Academic Senate President will select the outside content expert, preferably a faculty content expert from another college. If no faculty content experts are available, then a content expert from the representative field may be appointed.
2. The committee should reflect the college’s commitment to diversity and the District’s vision of diversity as stated below.

**Diversity**—We recognize and value the strengths of our diverse backgrounds and perspectives and seek to build a community in which all constituencies are highly qualified and reflect the community we serve.

3. All committee members must complete the Title 5 mandated Diversity and Cultural Competence training for hiring committees prior to the start of the hiring process. Please note, this is a separate training than the Hiring Committee Equity Representative training.

4. The Academic Senate President shall consult with the Department Chair (if existent) and the Division/Area Dean of the department with the opening before making the faculty appointments.

5. In basic skills, interdisciplinary subjects, and areas where service to students requires close cooperation between instruction and student services or between instructional areas, faculty from several areas may be selected to serve on the committee.

C. **Composition of the Screening Committee**

1. The members of the screening committee shall be selected from the faculty, administrative and classified members of the interview committee.

2. The screening committee shall consist of a minimum of three faculty members at least one of whom should be a discipline expert, the Equity Representative on the interview committee, and one administrator (generally the dean from the discipline).

3. Additional members from the interview committee may serve on the screening committee if they so choose.

4. Each screening committee member shall rate all applicants independently. If a committee member is unable to complete the screening process, the ratings of that individual shall not be used.

5. The committee should reflect the college’s commitment to diversity.

D. **Chair Duties**

1. The committee chair shall be a college administrator appointed by the College President.

2. The chair shall convene the committee, participate in the development of screening criteria, establish timelines for completion of the screening, serve as one of the raters, and coordinate the final selection of who shall be interviewed. Throughout the process, the chair shall communicate to committee members any and all changes or issues that affect the agreed upon processes.
E. **Equity Representative Duties**

1. The Equity Representative must have completed Equity Representative training within the last two years.

2. The Equity Representative shall ensure that throughout the entire screening and interview process there is no discrimination against any individual on the basis of race, color, gender, religion, national origin, age, sex, gender identity, sexual orientation, political orientation or belief, disability, or marital status. (Board Policy P-5111)

3. The Equity Representative shall complete the Equal Opportunity Employment Checklist (found in Appendix 3) at the conclusion of the entire hiring process.

4. Any questions or concerns about instances of unlawful discrimination shall be reported to the College Equity Officer.
VI. SCREENING APPLICATIONS

A. Screening Criteria

1. Screening criteria are to be developed by the screening committee. Committee members are encouraged to review and reflect on the summary of projected needs information (page 3) and the job description. Note: Students appointed to the committee serve during the interview process only.

2. Screening criteria are to be based on the job announcement.

3. Some criteria which might be considered are:
   a. Discipline preparation
   b. Communication and other interpersonal skills
   c. Sensitivity to, and knowledge of, a diverse student body and its needs
   d. Creativity and innovation
   e. Leadership potential
   f. Community Service
   g. Recency of training or evidence of updating of skills and/or professional development
   h. Experience working with people of varying abilities, ages, and cultures
   i. Experience with a broad range of teaching methods
   j. Related work experiences
   k. Experience with technology to support student learning

B. Screening Process

1. Screening criteria, rating sheets and interview questions shall be prepared prior to reviewing applications. Applications will generally be forwarded to the college within five-seven business days after the position closes.

2. Expeditious screening of applications is highly desirable in order to assure talented candidates are still available for interviews.

3. Faculty who wish to screen and/or interview must be apprised of the time commitment and be willing to make the effort required to complete the screening.

4. Students appointed to the committee do not participate in the applicant screening process.

5. A screening criterion shall be included which allows the committee to rate the candidates ability to foster and enhance cultural competence and diversity.

6. Normally, the selection of those to be interviewed should be completed within one to two weeks.

C. Rating of Candidates (Board Regulation-5121)

1. The members of the screening committee shall meet at the time determined by the committee chair with completed ratings of all candidates.

2. The chair and the equity representative shall tabulate the committee members' individual ratings of the candidates to establish the top candidates.
3. The committee will determine the number of candidates to be interviewed and inform the Director of Human Resources.

4. At least two qualified adjunct faculty members who have a level two or three preference within the District according to the LRCFT Collective Bargaining Agreement shall be granted interviews if they submit applications and meet minimum qualifications (CBA Section 4.10.10).

5. Prior to candidates being called for interviews, the committee should discuss and make a decision about offering candidates an interactive video/telephone conference (virtual) interview should they be unable to attend the interview in person. To maintain confidentiality and security, the California Community College Chancellor’s Office web conferencing platform CCC Confer is recommended.

D. Notification of Candidates

1. Human Resources will notify candidates, in a timely manner, at each step of the process.

2. The committee chair or designee will facilitate notification of those who have been selected and shall schedule them for an interview. Each candidate will be asked “Do you require reasonable accommodation(s) for the interview?” If a candidate requests accommodation(s), the committee chair and campus ADA Officer will ensure accommodations are implemented as appropriate.

3. Sufficient time should be allowed between notification and the interview to permit candidates to make travel arrangements. Normally, a minimum of ten calendar days’ notice should be provided.

4. For those candidates who have not been selected for interview, Human Resources will notify them within one week.
VII. THE INTERVIEW

A. Purpose of the Interview
1. The primary purpose of the interview is to obtain information and to evaluate the candidates with regard to their ability to perform the duties of the faculty position. The interview shall be an assessment of the specific qualities and aptitudes that are important for success as a member of the faculty. These qualities may include knowledge of the subject matter, ability to communicate orally and in written form, address different levels of academic preparedness, ability to foster and enhance cultural competence and diversity, use varied teaching technologies, concern and respect for students and colleagues, special ability or aptitude in the areas identified by the department/area, the potential for continued professional growth, and personal qualities such as enthusiasm, intellectual curiosity, and commitment to the profession.

2. A secondary purpose of the interview is to project a positive image of the District, college, and the department. Unsuccessful candidates will have other opportunities to apply for Los Rios positions. They can be expected to use the interview to assess the climate of the college and to determine if this is where they wish to work. It is recommended, if feasible, there be an opportunity for the candidate to have a tour of the college before or after the interview and the department where he/she would be employed when appropriate.

B. Qualities of a Good Interview
1. Timing
   a. It is recommended that the interviews be scheduled at least 60 minutes apart. This allows at least 45 to 50 minutes with each candidate, plus time to review the material presented and complete the notes.
   b. The committee chair shall advise the candidate of the timelines that have been established by the committee at the start of the interview. The chair should conclude the interview within the allotted time so all candidates have equal opportunities to make their presentations.

2. Establish Rapport
   Candidates are naturally tense; it is the responsibility of the committee to put them at ease as much as possible. Smiles, introductions, and a cordial atmosphere are appreciated and appropriate.

3. Demeanor of Interviewers
   Interviewers shall be attentive towards candidates. Smiles, body language indicating interest, and nods of appreciation all help a candidate feel he/she is being well received.

4. Confidentiality
   Assurance of confidentiality is critical to successful interviewing. Ratings and comments by committee members must not be shared with anyone outside the hiring process at any time.

5. Impartiality
   Impartiality is the foundation of a good interview. For that reason, it is important not to discuss information about a candidate until the finalist stage to avoid
development of an early bias.

C. Interview Questions

1. The hiring committee will prepare the questions which are to be asked at the interview. The questions are typed onto rating sheets in the office of the College President's designee. Space for ratings of the work sample(s) and the writing sample should also be provided on the rating sheet (sample rating sheet, Appendix 4). Once agreed upon by the committee, questions shall not be altered without the consent of the committee.

2. To provide as much objectivity as possible, the same questions should be asked of each candidate by the same committee member and in the same sequence.

3. The committee should decide in advance how much assistance will be offered to a candidate who appears to have misunderstood the intent of a question or who answers only part of a multi-part question. If it is decided to rephrase or restate the question, the same assistance must be provided to other candidates if needed.

4. Effective questions have these qualities:
   a. They are open-ended, allowing the candidate to reveal himself/herself more.
   b. The desired "right" answer should not be apparent from the question. (Don't ask leading questions.)
   c. Even though the topic or problem may be complex, the language of the question should be clear and easy to understand.
   d. Performance based / behavioral based questions are encouraged as they represent a "best practice." A key indicator of future performance is past performance.

5. Generally, eight to ten questions plus a demonstration of professional skills (teaching, counseling, etc.) can be completed in the 45 to 50 minute interview. If the questions are broad and follow-up questions are planned, fewer questions might be asked. The committee chair shall appoint a timekeeper and/or give a time-check during the interview.

6. Sample Questions
   Every interview will contain questions that attempt to assess the candidate's subject matter competence and current knowledge of the field. In addition, it is suggested each interview also contain variations of the following questions:
   a. A background question, e.g., "Tell us about your educational background and work experience, and how they have prepared you for the position of ..."
   b. A question aimed at determining the candidate's concern for students, e.g., "If you were teaching a 9:00 class and a student routinely arrived 10 minutes late, would you consider this to be a problem? If yes, how would you handle the problem? If no, why wouldn't this be a problem for you?"
   c. An equity/diversity question (required), e.g., "What experience have you had working with students of different racial or cultural backgrounds?" (Wait for answer.) "What about this experience was most difficult for you?"
   d. A final opportunity for the candidate to make a statement and/or ask a question(s).
   e. In addition to the above questions, the committee might want to include a motivational or personal qualities question, e.g., "What is there about this position that is of particular interest to you at this time?"
D. Demonstration

A demonstration of professional skills (teaching, counseling, etc.) provides very valuable information regarding the probable future performance of the candidate and is to be included in all full-time interviews. Demonstrations may include:

1. **Advance Preparation**
   Topic(s) are provided to the candidate in advance of the interview. The letter confirming the appointment for the interview would contain the information that a demonstration will be part of the interview process. The demonstration would measure willingness to prepare and ability to deliver when an assignment is known in advance.

2. **Extemporaneous**
   A short list of common topics or a topic would be presented to the candidate during the interview with directions to explain or demonstrate. This work sample measures the candidate’s ability to think and organize quickly.

3. **Role Play**
   Member(s) of the committee engage the interviewee in a short (five minutes or less) role play appropriate to the position. To the extent possible, the role play element should be provided consistently and fairly.

E. Writing Sample

1. The ability to write clearly and accurately is essential for any community college faculty position, and it is recommended a writing sample of about a half-hour be a part of the selection process. The writing sample can be done before or after the interview.

2. The assessment of the writing sample should be made independently by each committee member, and the rating should be added to the ratings of interview questions and work samples.

F. Rating of Candidates

1. **Note Taking**
   Committee members should take notes during the interview regarding the content and clarity of answers. A rating should be given for each answer as it is given, but in such a way that the candidate cannot see it. For example, a dot could indicate when a later check mark will be made or the interviewer can hold note-taking materials out of the view of the candidate.

2. If interviews are to extend over two or more days, it is especially important to take notes and indicate the relative merits of the candidates of the first day so their answers will not be forgotten.

3. Following the completion of each interview, the committee chair shall provide an opportunity for identified faculty interviewer(s) who have experience in the target discipline to make brief, factual comments regarding the candidate’s accuracy on the content. Examples: Is the content correct? Is the content complete? Is the content appropriate to the level of the class or audience?
G. Ranking

1. Each committee member shall independently rank the candidates, e.g., 1 out of 10, 2 out of 10, etc. Tie rankings are not allowed.

2. The independent rankings are collected by the committee chair, who, along with the Equity Representative, shall add the rankings to determine the top five candidates (those with the lowest sums) in alphabetical order.

3. The committee chair shall report to the committee the names of the top five candidates for the position. The committee chair and the Equity Representative shall facilitate a discussion of the top five candidates prior to the second ranking. After the committee ranks the candidates a second time, the committee chair and Equity Representative shall add the rankings and report the top three candidates in alphabetical order. If the committee chair and the Equity Representative cannot determine the top three candidates, either because of a tie in rankings or because the committee determines that there are not three acceptable candidates, the committee may deliver from two to four candidates as finalists.

4. In cases where the committee is interviewing multiple positions, the committee shall use the same criteria in #3 above for determining the number of finalists, except as follows: when the committee is interviewing for two positions, it will strive to deliver five finalists, but if it is unable to do so (because of a tie or a lack of qualified candidates) then it can deliver fewer finalists. If the committee is interviewing for three or more positions, it will strive to deliver seven finalists, but may deliver fewer if the committee determines there are not sufficient finalists.

5. The chair shall give the names of the finalists to the College President in alphabetical order.

6. The College President and/or appropriate Vice President shall join the committee for a discussion regarding the relative strengths and weaknesses of the finalists as perceived by the interviewers. Comments that reflect personal knowledge of the interviewee should be provided to the College President separately from the interview process.

7. In cases where the committee determines there is only one acceptable candidate, the committee shall inform the College President of their finding during the discussion, and forward that one name to the College President. After the interview, the College President may choose the candidate, ask the committee to reconsider, or close the process and begin anew. Similarly, for multiple hires in the same committee, if fewer than four candidates are forwarded, after the College President interviews the candidates, the College President may choose the candidates, ask the committee to reconsider, or close the process and begin anew.

8. The College Academic Senate President and/or the District Academic Senate President may review the committee rankings on a confidential basis with the College President.
VIII. REFERENCE CHECKS

Checking of the references of the candidates is a vital and required step in the selection process. It is important to obtain objective, detailed, accurate, and thorough reference check information to inform the hiring decision. The LRCCD Reference Check form, available on the Human Resources intranet web page, shall be utilized for each reference check.

A. The College President contacts the references supplied by the finalists. If necessary, additional references may be requested.

B. If the interview committee considers it appropriate, one discipline-related faculty member from the committee may be recommended by faculty on the committee to conduct faculty-to-faculty reference checks. The individual shall be appointed by mutual agreement between the College President and the Academic Senate President and shall be provided guidance in how to conduct reference checks. The faculty member selected to conduct reference checks shall use the LRCCD Reference Check form and shall report his or her findings to the College President confidentially.
A. The finalist(s) will be interviewed by the College President. The appropriate Vice President and/or others may be invited by the College President to participate in the final interviews. All finalists will be interviewed by the same person or persons.

B. The College President may conduct final interviews for out-of-area candidates just after their initial interviews, even though its not yet known if they have been selected as finalists.

C. If the College President has reservations regarding the recommendations of the committee, the College President will meet with the committee and explain the rationale for his/her concern. If there were additional candidates whom the committee judged to be well qualified, the committee may elect by simple majority to have the next ranked candidate(s) considered.

D. The College President shall select the candidate who is to be recommended to the Chancellor and the Board of Trustees for appointment to the position.
   1. The final candidate will be notified of his/her selection by the College President or designee prior to forwarding the appropriate forms (P-673, P-131, and P-130) to the Human Resources Office.
   2. The College President shall notify the committee after the selection is made.
   3. Human Resources will place the name of the recommended candidate on the next regular Board meeting agenda and will process all employment forms.
   4. The College President or designee will contact those finalists not selected and notify Human Resources when the notification is complete.
   5. Following Board approval, the final candidate will be given formal notice of the appointment by the Director of Human Resources.
Section B

Adjunct Faculty
X. INTRODUCTION

Adjunct faculty hiring follows the Board Policies/Administrative Regulations as attached. In addition, the District Senate and the District share a commitment to the intent and philosophy of this Faculty Hire Manual towards the adjunct faculty hire process.
XI. BOARD POLICIES/ADMINISTRATIVE REGULATIONS

Recruitment, Selection and Appointment:
Adjunct Faculty  P-5122

1.0 Hiring of Adjunct Faculty

1.1 The interests of students and the community are best served by selecting from the available pool of persons in the community those individuals who have special expertise and diverse backgrounds to serve in various adjunct faculty positions.

1.2 By encouraging diversity in the pool of adjunct faculty members, the Los Rios Community College District can increase diversity among tenured faculty.

2.0 Police Records

2.1 All applicants shall be fingerprinted prior to employment with the District.

2.1.1 This District Policy and the corresponding Administrative Regulation shall not apply to any California or Federal Peace Officer currently employed and paid as such.

2.2 The Chancellor shall adopt appropriate Administrative Regulations.

3.0 Qualifications

3.1 An applicant must possess the minimum qualifications established for the position; the individual must be able to perform the essential functions of the position with or without reasonable accommodation.

3.2 An applicant or candidate shall be disqualified for any of the following reasons:

3.2.1 Conviction of a misdemeanor involving sex offenses, controlled or illegal substances as defined in Education Code, sections 87010 and 87011 respectively, or of any felony, or determination that the individual is a sexual psychopath as defined in Education Code, section 87406. (Ed. Code, § 87405)

3.2.1.1 Exception: Applicants having official certificates of five-year rehabilitation from controlled or illegal substances convictions may be considered for employment. (Ed, § 87405)

3.2.1.2 Exception: Applicants and employees with felony convictions, other than those applicants that are disqualified for service under Education Code, sections 87010, 87011, 87405, or 87406, shall be individually evaluated to determine if disqualification based on their felony conviction(s) is job-related and consistent with business necessity.

3.2.2 Falsification or attempted deception in statement on the application;
3.2.3 Previous dismissal from District service by the Los Rios Community College District Board of Trustees;

3.2.4 Positive results from an intradermal skin test and chest X-ray showing active tuberculosis.
1.0 Recruitment and Application Procedures for Adjunct Temporary Assignments

1.1 The Los Rios Community College District Human Resources Office will advertise as needed for part-time academic staff to provide an adequate pool of applicants.

1.1.1 Only those persons having an application on file at the District will be considered as applicants.

1.1.2 Applicants with felony convictions, other than those applicants that are disqualified for service under Education Code, sections 87010, 87011, 87405 or 87406, shall be referred to Human Resources and individually evaluated based on the requirements of the position following factors:

1.1.2.1 Nature and Gravity of the Offense(s). The Human Resources Office shall evaluate felony conviction(s) to determine the nature and severity of the offense(s) or conduct. This evaluation may take into account the harm caused by the crime, the elements of the crime, and the severity of the crime. A more severe crime would tend towards disqualifying the applicant.

1.1.2.2 Time That Has Passed Since the Offense(s) or Conviction(s). The Human Resources Office shall evaluate the amount of time that has passed since the most recent offense or conviction and any prior offense(s). A single offense or a last offense committed more than ten (10) years prior to the application date suggests an applicant will not recidivate. Subsequent employment history and efforts at rehabilitation is relevant to this inquiry. Crimes committed more recently would tend towards disqualifying the applicant.

1.1.2.3 Nature of the Job Held or Sought. In light of the first two factors, the Director of Human Resources shall examine the nature of the duties and essential functions of the job held or sought to determine if excluding the applicant is consistent with business necessity. Consideration may be given to the location of the job and the persons the applicant will come into contact with in the job. For example, convictions of property, theft, or larceny crimes tend toward disqualifying applicants for positions of trust or positions that control money or property. Convictions for violent felonies would tend towards disqualifying
applicants from positions that require contact with students, staff, or the public.

1.1.2.4 Applicants with felony convictions shall be notified that they have been screened out due to a felony conviction and provided with an opportunity to demonstrate that they should not screened out due to the applicant’s particular circumstances. The Human Resources Office shall review this information prior to making a final decision.

2.0 Screening and Interview Procedures for Adjunct Temporary Assignments
(The equivalency processes as described in section IV.B of this document and board regulations 5123 shall be used for all faculty hiring, including but not limited to adjunct faculty, LTT’s and emergency hires)

2.1 The Department Chair and Area Dean or appropriate manager will recommend the screening and interview committee to the Vice President and Academic Senate President for appointment, composed of an appropriate manager, between one and three faculty members from the discipline and a faculty equity representative. The faculty equity representative shall be appointed in consultation with the College Equal Employment Opportunity Officer. The committee chair will be appointed by the Vice President.

2.2 Screening and interview committees will determine objective criteria for selecting candidates and develop standard interview questions.

2.3 The screening and interview committee will select and interview a sufficient number of applicants to allow for fulfillment of goals and to allow subsequent employment offers to be made to successful candidates.

2.4 Following interviews, the Chair of the interview committee will forward the rating sheets and other related documents, including the name of the recommended candidate through appropriate administrative channels to the District Human Resources Office. The committee will note those candidates approved for adjunct assignment as “commendable”.

2.5 Reference checks are to be accomplished by the Dean or assigned discipline-related faculty member prior to offering an assignment to a new adjunct.

2.6 If the department has a vacant position/assignment within twenty (20) working days of the beginning of such assignment, and is unable to timely conduct the adjunct hire process described in sections 2.1-2.5, the appropriate manager may fill such assignment without benefit of screening and interview committee action utilizing applications currently on file in the District Human Resources Office. Adjuncts hired under this “emergency hire” process may not be rehired for subsequent assignments unless they successfully complete the adjunct interview/hire process described in sections 2.1-2.5.
3.0 **Criminal Background Check**

3.1 Applicants shall be fingerprinted at the State Department of Justice or another qualified law enforcement agency. Employment shall not commence until clearance has been approved by Human Resources. The Human Resources Office shall review any new felony convictions that are discovered during this process under the process set forth in 2.0, above, and shall also take into account whether the failure to disclose the conviction was dishonest.

3.2 Applicants shall be required to pay the cost of the fingerprinting and processing.

3.3 When warranted by exigent circumstances as determined by District Human Resources, a temporary employee may be permitted to begin work prior to clearance having been granted by Human Resources.

3.4 Police records shall be shown only to those with the legal right to see them.

4.0 **Hiring Procedures for Returning Adjunct Temporary Employees**

4.1 Temporary employees hired prior to February 4, 1980, and temporary employees hired according to procedures 2.1 through 2.5, may be rehired for subsequent assignments without screening and interviewing.

5.0 **Adjunct Faculty Assignments**

5.1 Assignments of adjunct tenured (part-time) employees will be limited to their level of tenure, e.g., a person tenured at twenty percent (20%) will be scheduled for neither more nor less than the twenty percent (20%) to which the employee is entitled.

5.2 Tenured staff members without full loads will be first given available assignments in which they qualify, up to the percentage of their tenure.

5.3 The District recognizes only those employment rights to adjunct temporary and overload pay assignments specified in State Law and in the current District/LRCFT agreement.

5.4 Assignments of adjunct temporary employees will normally not exceed sixty percent (60%) of a full-time load. Exceptions will be made only on the basis of advanced approval by the Chancellor.

5.5 Continuation of adjunct assignments by temporary employees and overload assignments by regular employees, among other factors, will be contingent upon performance evaluations that meet or exceed standards.

STATEWIDE MINIMUM QUALIFICATIONS

AB 1725 and the Board of Governors have established the following statewide minimum qualifications:

For subject areas where master's degrees are available, minimum qualifications required a completed master's in the subject area; OR, a bachelor's in the subject area PLUS a master's in a related discipline; OR, equivalent.

For subject areas where a master's is not expected or available, the minimum requirements are a bachelor's degree in a reasonably related discipline PLUS two years of professional experience PLUS licensure (if available); OR, an associate degree in a reasonably related discipline PLUS six years of professional experience PLUS licensure (if available); OR, equivalent.

LOS RIOS EQUIVALENCIES TO MINIMUM QUALIFICATIONS

3.0 Framework for Minimum Qualifications Equivalency Criteria

3.1 Because the State has established two sets of disciplines, one using the master's degree for subject areas where a master's degree is generally available, and one not using the master's degree for disciplines where proficiency is frequently gained outside a degree track, the Los Rios framework for minimum qualifications' equivalency contains two sets of criteria. All degrees and course work must be from colleges/universities accredited by one of the intersegmental accrediting agencies: Western Association of Schools and Colleges, Middle States Association of Colleges and Schools, New England Association of Schools and Colleges, North Central Associations of Colleges and Schools, Southern Association of Colleges and Schools, and Northwest Association of Colleges and Schools.

A. For Disciplines Requiring the Master's Degree

1. Master's degree in any discipline, plus course work equivalent to a graduate major in the discipline of the assignment. (30 semester units of graduate and upper division units, of which 15 units must be graduate.)

2. Bachelor's degree in the discipline of the assignment, plus additional post baccalaureate course work equivalent to a graduate major in the discipline of the assignment. (30 units of upper division and graduate units, of which at least 15 units must be graduate.)

3. For the Performing Arts: A bachelor's degree in the discipline plus advanced degree from an institution specific to that art, or four years of professional experience in the discipline.

4. A bachelor's degree in the discipline, plus licensure by an appropriate state agency, plus at least two years of professional experience unless specifically precluded by the adopted list of disciplines.

5. Recognized accomplishments which demonstrate expertise and skill in the field of study beyond that normally achieved through formal education (equivalent to the eminence credential.)

B. For Disciplines Not Requiring the Master's Degree

1. Bachelor's degree in a discipline reasonably related to the discipline of the assignment, plus two years of full-time teaching experience in the discipline of the assignment at an accredited institution, plus appropriate certification to practice or licensure, if available.

2. Bachelor's degree in any discipline, plus course work equivalent to a major in the discipline of the assignment, plus two years of occupational experience related to the discipline of the assignment or two years of teaching experience in the discipline of the assignment, plus appropriate certification to practice or licensure, if available.

3. Associate degree containing at least 60 units in any discipline, plus graduation from an institution specific to that field, plus two years of professional experience in the discipline, plus appropriate certification to practice or licensure, if available.

4. A completed Associate degree containing at least 60 units in any discipline, plus course work equivalent to a major in the discipline of the assignment, plus six years of occupational experience related to the discipline of the assignment or six years of full-time teaching experience in the discipline of the assignment, plus appropriate certification to practice or licensure or its equivalent, if available.

5. Recognized accomplishments which demonstrate experience and skill in the field of study beyond that normally achieved through formal education (equivalent to the eminence credential.)

1 Teaching and occupational experience may be combined to total the required number of years; all experience must have taken place within ten years preceding the date of application with at least one year of qualified experience occurring within the three years immediately preceding the date of application.

Shared Principles
Screening, Interviewing & Confidentiality

Los Rios employees are key contributors in the selection process of new employees who will serve our students and colleges. As such, shared principles and values which are part of our culture are evidenced in our practices.

Employees involved in the screening/hiring process support the following principles:

Non-Discrimination
- LRCCD is committed to being an Equal Opportunity Employer. LRCCD rejects discriminatory hiring practices, especially those based upon ethnic group identification, race, color, creed, national origin, religion, gender, age (over forty), sex, sexual identity, sexual orientation, political beliefs, political activities, political affiliation, military and veteran status, marital status, or disability.

Confidentiality
- The hiring process includes the recruitment process; development of interests, screening criteria and interview questions; the paper screening of the applicants materials; interviewing and subsequent discussion of the candidates. Confidentiality should be maintained prior to, during, and following the recruitment process, including reference checks.
- All written, verbal and electronic records and information regarding this hiring process are confidential prior to, during, and following the interview process, including reference checks.
- For committee members, confidentiality throughout the process, from the development of an announcement to the final hiring action by the Board of Trustees and beyond, is essential to maintain the integrity of the hiring process.

Keeping It Legal
- A mandatory requirement of non-discrimination ensures candidates are treated equitably throughout the process. Independent fact-finding activities by committee members, including electronic searches on social media and/or other venues, are outside the process and not appropriate.
- Questions regarding the interview process should be referred to the Hiring Committee Chair, Equity Representative, College Equity Officer, or District Human Resources.
- Hiring Committee Members having a close personal or familial relationship (i.e., living with and/or having a legal connection to) or business connection with any applicant shall notify the Hiring Committee Chair or Equity Representative, or the College Equity Officer.
- Failure to maintain confidentiality and equitable treatment throughout the process may result in a violation of Federal or State regulations and/or incur liability upon the District.

Helpful Hints
- Keep all written notes in the interview folder and submit to the Committee Chair / Equity Representative after each meeting.
- If a candidate contacts you regarding the process, please refer the candidate to the Committee Chair or to Human Resources.

Thank you for agreeing to share your time and expertise as a key member of this committee. The selection of Los Rios employees is one of the most important responsibilities within the District. Members of a screening/interview committee are acting as agents of the District and are participating in a confidential process [Title 5, California Code of Regulations, section 53023 (a)]. Any disclosure of records or information of the evaluation process for any individual would amount to an unwarranted invasion of privacy as set forth in Section 6254 of the California Government Code.

These shared principles were jointly prepared with the District Academic Senate and supported by other unions/associations involved in the interview process.

Again, thank you for helping Los Rios hire quality staff members who will serve our students and colleges.

Article 5.3 - Transfer

5.3.1 **Voluntary Transfer**
Voluntary transfer is a process by which an eligible faculty member of a district college may request a transfer to another college or site within the District. A voluntary transfer request does not guarantee being selected and can result either in acceptance or denial of the voluntary transfer request.

**Eligibility Criteria**
Eligibility for voluntary transfer is limited to full-time tenured faculty and full-time third and fourth year, tenure-track faculty who have received no “needs improvement” or “unsatisfactory” marks on their first and second year peer reviews.

**Process Stages**
The voluntary transfer process shall consist of four (4) stages: a preliminary stage; a screening stage consisting of two (2) steps; a first-level interview stage consisting of three (3) steps; and a second-level interview stage consisting of two (2) steps.

5.3.1.1 Preliminary Stage
There shall be three (3) preliminary steps in the voluntary transfer process.

Step One: As part of the college process for filling new full-time faculty positions, full-time faculty within the department will reach consensus as to whether to review voluntary transfers. The Department Chair and Area Dean shall define faculty consensus. If a department does not have any full-time faculty or a new faculty position is without a designated department, the Area Dean, in consultation with the Academic Senate President (or designee), will determine whether to review voluntary transfers. If there is no consensus, then Involuntary Transfer may occur.

Step Two: If voluntary transfer applicants are to be considered, the District Human Resources Office shall inform full-time faculty members via e-mail regarding the voluntary transfer deadline date. The District voluntary transfer deadline date shall be no later than three (3) weeks earlier than the general application deadline date.

Step Three: Voluntary transfer applicants must submit to the District Human Resources Office a Voluntary Transfer Request Form, an application used for general hiring, and a resume and/or a letter of interest no later than the voluntary transfer deadline date. The District Human Resources Office shall forward all voluntary transfer applications to the college requesting the position prior to the general application deadline date.

5.3.1.2 Screening Stage
There shall be two (2) screening steps in the voluntary transfer process.

Step One: A transfer screening committee shall screen the voluntary transfer application(s) according to screening criteria established by the committee prior to reviewing the voluntary transfer applications.

Step Two: The transfer screening committee may recommend by consensus moving forward with one (1) or more voluntary transfer interview(s) or recommend opening the process to all general applicants as described in the hiring manual. If there is no recommendation, then Involuntary Transfer may occur.

5.3.1.3 First Level Interview Stage
There shall be three (3) first-level interview steps in the voluntary transfer process.

Step One: The transfer interview committee develops interview questions that must be used for all voluntary transfer applicants being interviewed.

Step Two: The transfer interview committee conducts [an] interview(s) of the voluntary transfer applicant(s).

Step Three: The transfer interview committee may recommend by consensus [a] voluntary transfer applicant(s) for selection to the College President or choose not to recommend by consensus any voluntary transfer applicant(s). If there is no recommendation, then Involuntary Transfer may occur.

5.3.1.4 Second Level Interview Stage
There shall be two (2) second-level interview steps in the voluntary transfer process.

Step One: After receiving the recommendation(s) from the transfer interview committee, the College President (or designee) interviews the voluntary transfer applicant(s) and checks applicant references consistent with hiring manual procedures.

Step Two: The College President determines to either accept or deny the transfer of the voluntary transfer applicant(s) and then notifies the applicant(s). If the College President denies the voluntary transfer applicant(s), then Involuntary Transfer may occur.

5.3.2 Committee Appointments
Members of the transfer screening committee and transfer interview committee shall be taken from the general hiring committee. The hiring committee will determine the appointments to the transfer screening and interview committees under conditions in Sections 5.3.2.1 and 5.3.2.2.

5.3.2.1 Transfer Screening Committee Membership
The transfer screening committee shall consist of one (1) administrative member, an equity representative who should be a faculty member if one is available, and at least one (1) tenured discipline faculty member and one (1) additional faculty member, excluding the voluntary transfer applicant’s current institution of assignment.

5.3.2.2 Transfer Interview Committee Membership
The transfer interview committee shall consist of at least the transfer screening committee, with the option of adding any or all of the faculty members from the department assigned to the hiring committee.

5.3.2.3 The Rights of Unsuccessful Voluntary Transfer Applicants
If at the screening stage, the first level interview stage, or the second level interview stage, a voluntary transfer applicant’s request for transfer is denied, the applicant reserves the right to be considered for the position through the general hiring process as described in the hiring manual.

5.3 Transfer

5.3.1 Voluntary Transfer
Voluntary transfer is a process by which an eligible faculty member of a District college may request a transfer to another college or site within the District. There shall be three (3) preliminary steps in the voluntary transfer process.

*Step One:* As part of the college process for filling new full-time faculty positions, full-time faculty within the department will reach consensus as to whether to review voluntary transfers. 5.3.1.4 Second Level Interview Stage

Step Two: The College President determines to either accept or deny the transfer of the voluntary transfer applicant(s) and then notifies the applicant(s). If the College President denies the voluntary transfer applicant(s), then Involuntary Transfer may occur.

5.3.2 Committee Appointments

The hiring committee will determine the appointments to the transfer screening and interview committees under conditions in Sections 5.3.2.1 and 5.3.2.2.

5.3.2.1 Transfer Screening Committee Membership

5.3.2.2 Transfer Interview Committee Membership
The transfer interview committee shall consist of at least the transfer screening committee, with the option of adding any or all of the faculty members from the department assigned to the hiring committee.

5.3.2.3 The Rights of Unsuccessful Voluntary Transfer Applicants
If at the screening stage, the first-level interview stage, or the second-level interview stage, a voluntary transfer applicant’s request for transfer is denied, the applicant reserves the right to be considered for the position through the general hiring process as described in the hiring manual.

5.3.3 Involuntary Transfer
If a vacancy in the District is to be filled internally and there are no qualified volunteer faculty members, the District may administratively transfer that qualified faculty member with the lowest seniority in that discipline area from a college which has staff overage. General counseling, DSP&S, EOPS, and CalWORKs are considered as separate discipline areas.

5.4 Rights of Return
When there is a vacancy in the subject area at the work location from where the employee was originally transferred or reassigned, the employee who has been involuntarily transferred or involuntarily reassigned has the right to such an opening provided:

5.4.1 The employee accepts such first available assignment which is at least equal to the percent of assignment (tenure) as previously held in the original unit; otherwise the employee forfeits all rights to return automatically.

5.4.2 In the event there is an opening which is not at least equal to the percent of assignment (tenure) as previously held, the employee has the option to accept the lesser percent of assignment which has become available at the original unit. However, should subsequent opening combinations develop at the original unit which would provide opportunity for the employee to have a reassignment which is at least equal to the percent of assignment originally held by the employee, then the employee must do one (1) of two (2) things, either:

5.4.2.1 Accept the developed opening combination which would at least equal the original percent of assignment held, or

5.4.2.2 Forfeit all rights to automatic reassignment and also forfeit all rights to the partial reassignment at the original unit. Further, in such case the employee
may be reassigned to the initial voluntary position as per the terms of the initial volunteering at the discretion of the District. This subsection applies to unit members who apply for an opening and are voluntarily transferred from one college to another college or are voluntarily reassigned from one division to another division within the same college in accordance with the provisions of this subsection.

5.5 **Seniority, Reduction in Force, and Recall Rights**

5.5.1 All faculty members with re-employment rights shall hold a seniority number corresponding to their relative date of employment in the District.

5.5.2 The District shall provide LRCFT with current seniority lists for all bargaining unit employees with re-employment rights no later than thirty (30) days after receipt of a written request. The District shall also notify LRCFT of proposed and determined reductions in force, which employees are affected, and the length of the lay-off, if determinable.

5.5.3 In the case of a reduction in force, those faculty members with the lowest seniority shall be laid off first in accordance with provisions of the Education Code. In the event that future legislation addresses reduction of force, this contract language will prevail if the legislative language is permissive.

5.5.4 Return to duty shall be accomplished in the order of the higher seniority first according to the following terms and conditions:

5.5.4.1 If a vacancy occurs, each employee who has been laid-off shall be notified by mail of any full- or part-time vacancies in the District. Such notification shall be circulated twenty (20) days before the vacancy shall be advertised for general applicants. The District shall notify LRCFT of the existence of such vacancies. No person without re-employment rights shall be hired as long as there are any qualified faculty members with re-employment rights available for any open position.

5.5.4.2 If a faculty member on lay-off exercises seniority rights for a position which is less of a load than his/her re-employment right, that employee shall retain his/her seniority position in regard to other employment in the District.

5.5.4.3 An employee on lay-off with re-employment rights shall have fifteen (15) days after the mailing of vacancy notices to apply to exercise his/her preferential recall rights.

5.6 **Partial Assignments, Academic Year**

5.6.1 For regular full-time faculty members, less than full-time assignments may be granted for the following reasons:

5.6.1.1 A reduction from full-time to partial retirement made voluntarily by the faculty member.

5.6.1.2 A reduction from full-time to partial assignment made at the request of a regular faculty member for reasons of health, personal problems, or professional development. Such partial assignments normally shall not exceed one (1) academic year but may be extended for good cause.

5.6.1.3 No partial assignments shall be given in a department discipline as long as a regular faculty member with full or part-time employment rights is kept involuntarily on a partial contract that is less than the employee’s tenured employment rights.

5.7 **Assignment Schedule**

5.7.1 The development of a specific work location, assignment(s), and hours shall take into
consideration the requests of the faculty member in coordination with the Department Chair and Area Dean. The employee's preferences (rooms, time-of-day, courses, etc.) in scheduling shall be given every consideration when consistent with sound educational practices. This article applies to all faculty members, including classroom teachers, counselors, librarians, coordinators, and college nurses. (See Article 20, Management Rights.)

5.8 **Resignations**

5.8.1 A unit member who submits a written resignation may, within ten (10) days following the date said resignation was submitted and prior to Board approval, withdraw the resignation without prejudice, except when the resignation is part of a negotiated resignation or given for participation in a special District program in which cases the resignation is effective immediately upon acceptance by the Chancellor.
