Chancellor’s Report:

ARC: American River College’s women’s cross-country team won the prestigious California Community College Athletic Association (CCCAA) Scholar Team award, with a team GPA of 3.29! This is the highest honor that the CCCAA awards for student achievement. In addition, ARC swimmer Alexandria Dumaplin was honored as one of only 14 individual athletes to earn a spot on the Association’s 2015 Scholar Athlete Honor Roll. This is the second consecutive year ARC has earned a Scholar Team award distinction; men’s cross-country was honored in 2015.

CRC: Cosumnes River College Architecture Professor John Ellis recently received the American Institute of Architects (AIA) Central Valley California Council Presidential Citation for Lifetime Achievement. Professor Ellis was recognized for his “exemplary contribution to the (architecture) profession... for being a foundational role model to the launching of countless architectural careers... his devotion to those under his mentorship and the advancement of architecture and the value of design... and the communities served by his guidance.” Professor Ellis has announced his retirement, effective May 19. He will be sorely missed by students and colleagues alike, but we wish him well.

FLC: Folsom Lake College’s Medical Laboratory Technician degree program, along with Program Coordinator Jason Pedro, was featured in ABC10 News broadcasts on February 1 and 2. The “Better Jobs” segments focused on good jobs that do not require a bachelor’s degree. According to California’s Employment Development Department, health care jobs are among the three fastest-growing fields in the Sacramento region. “The medical field is just exploding. You have the Affordable Care Act, which has really increased volumes, so more people are going to the doctor...and you also have an aging workforce,” Jason explained. The medical lab tech position was singled out as one of the most in-demand professions in the area. Upon completion of FLC’s MLT program, lab techs earn an average salary of more than $45,000 a year.

SCC: It’s “Double Heart” month at Sacramento City College! Beginning Tuesday, February 16, through Friday, February 19, SCC employees are showing students that “We Care” about them by wearing cutout paper hearts pinned to their shirts. The campaign also includes a letter to students and posters placed around campus conveying the same message. National and statewide student surveys, including the Community College Survey of Student Engagement, show that students do not believe enough of us care about their educational success. This small token is one way that SCC can show its students that it cares about their happiness and success.

**Justification:** FMS 300 has been shifted to the Theater Arts program and has been cross-listed as TA 310 for three years. This was the last course remaining in the FMS identifier, which is being eliminated.

12. HCD 81 Diagnostic Assessment (0.50 units)

**Justification:** This course has limited applicability to the testing process and the "open enrollment" status of the course leaves students enrolled who are not candidates for Learning Disabilities assessment. Every semester we are forced to clarify and request students take steps towards disenrollment. This creates confusion for all involved in the assessment process.

13. MATH 350 Calculus for the Life and Social Sciences I (3.00 units)

**Justification:** The Calculus for Social and Life Sciences sequence Math 350/351 no longer satisfies some articulations to 4-years schools. There is hope that we will soon be able to adopt the 355/356 sequence which does meet the articulation needs of our students.

14. MATH 351 Calculus for the Life and Social Sciences II (3.00 units)
Justification: The Calculus for Social and Life Sciences sequence Math 350/351 no longer satisfies some articulations to 4-years schools. There is hope that we will soon be able to adopt the 355/356 sequence which does meet the articulation needs of our students.

15. MEDTEC 320 Urinalysis (1.50 units)

Justification: MEDTEC 320 was never taught as the content is covered in MEDTEC 323. There are no plans to begin teaching MEDTEC 320.

22. WEXP 298 Work Experience in (Subject) (1.00 - 4.00 units)

Justification: At this time there is no compelling need for a Work Experience 298 course at Folsom Lake College. Currently the only CTE degree needing a 298 level option is Environmental Technology. We will be launching ENVT 298 for this purpose. As more CTE degrees and certificates are developed, the need may increase. Ideally, however, a discipline-specific version of 298 would be introduced. Because the 498 level courses are transferable as elective credit to the CSU, it behooves students who are unsure about transferring to enroll in WEXP 498.

The Computed Tomography (CT) program will be the first imaging program pursued.
PROGRAM PROPOSALS

Program Deletion(s)

Folsom Lake College

1. Advanced Accounting

**Justification:** Based upon the following, the accounting faculty proposes we delete this program. 1. Only 3 certificates in 12/13, and 1 in 13/14. 2. Our program is inconsistent with CRC for example, we require 24 credits; CRC 35 including Intermediate Accounting which we do not require. 3. Based upon our collective experience the value to our students is minimal as without an Accounting degree not many employers would be hiring staff with "Advanced" Accounting Certificate instead of a non-CPA with an Accounting degree. We believe the lack of demand or completion for this course bears that out.

New Programs

American River College

1. Gallery Management

This certificate provides a foundation of knowledge, and experience in, the everyday working practices of art museums and galleries.

**Justification:** We are offering students a new certificate opportunity that will provide additional knowledge and exposure to the everyday working practices of art museums and galleries.

Folsom Lake College

1. Clay Arts

This certificate provides theoretical foundation and practical experience for students interested gaining knowledge in ceramics and clay sculpture. Topics include the basic and intermediate skills needed for a strong foundation in the area of clay arts.

**Justification:** To offer students a new certificate opportunity that will provide those interested in gaining basic and intermediate skills in the clay arts.

2. Computed Tomography

For certified Radiologic Technologists, there are a number of advanced forms of imaging that may be pursued. This program is designed for Computed Tomography, commonly called "CT." Successful completion of the program should indicate successful preparation for the American Registry of Radiologic Technologist's CT certification. Students must
apply and be accepted into the program. Liability insurance must be purchased by the
student as well as the HIPAA training during the program orientation.

**Justification:** Folsom Lake College has a longstanding relationship with Sutter Health,
UC Davis, and Dignity Health. Our hospital partners have requested we fill the training
void in the industry for radiological technologists who are cross-trained in multiple
modalities. This Computed Tomography program proposal will help fill this void,
boosting employment in healthcare in the region and helping to meet the growing
demand for imaging from patients. This is the first program in the field of imaging that
we will be creating.

RECOMMENDATION:

BACKGROUND:
The Education Code regulates the procedures by which a community college district can dispose of real and personal property. Education Code section 81452 provides that the governing board may, by unanimous vote, dispose of items valued at $5,000 or less by private sale without advertising or selling the items at public auction. The District has held previous auctions but they have generally cost more than they have netted for the District. In 1998, the District began transferring such surplus items to the State of California since the cost to store and sell such surplus items is greater than potential revenues.

STATUS:
The District has a quantity of surplus materials that need to be disposed, such as outdated desks and computers. The State of California has accepted some of the surplus items but will not take surplus items deemed unsaleable. The District has located a scrap dealer who will take the remaining surplus items for recycling.

The surplus items to be disposed of are either irreparable, obsolete, in poor condition, or not needed for district/college operations and include the following: 3 adding machines; 1 ammeter; 1 audio control; 3 auto-samplers; 1 balancer; 7 balances; 1 band saw; 3 barrels; 1 base; 2 boards; 2 body dummies; 1 box; 1 cabinet; 2 cameras; 1 capacity bridge; 1 cart; 53 chairs; 2 chromatography systems; 2 clocks; 31 computers; 1 controller; 1 coolant system; 4 data loggers; 3 desks; 2 display racks; 3 drawers; 1 easel; 1 embossers; 8 extensions; 2 fax machines; 6 flood lights; 1 galvanometer; 6 generators; 1 gurney; 1 hosing; 5 hygrometers; 1 ice machine; 1 injection system; 28 keyboards; 2 ladder racks; 1 laminate machine; 10 lamps; 1 laptop; 9 measurement devices; 1 mess kit; 1 metal box; 3 microscopes; 1 box misc glassware; 1 box misc parts; 53 monitors; 4 mouse; 1 multi-meter; 1 ohmmeter; 1 optical device box; 1 box optics parts; 4 partitions; 697 phones; 6 boxes Physics parts; 9 Physics devices; 1 pipettes w/stand; 1 podium; 1 potentiometer; power cords; 8 printers; 2 probes; 1 processor; 1 pulley set; 3 regulators; 1 remote; 1 repeater; 6 resistance boxes; 4 resistors; 1 rotator; 3 scanners; 1 screen; 1 shelf; 1 shunt; 1 sink; 1 stand; 2 boxes Styrofoam balls; 3 switches; 2 tables; 2 televisions; 1 timer; 5 boxes of tools; 8 tracks; 2 transformers; 2 tubes; 1 typewriter; 1 box various cables; 1 vision solution; 1 voltmeter; 1 welder and 1 whiteboard. These items have a value of less than $5,000.

RECOMMENDATION:
It is recommended that the Board of Trustees approve the disposal of the listed items per Education Code section 81452.
BACKGROUND:
A listing of purchase orders, warrants, checks and wires issued during the period of January 16, 2016 through February 15, 2016 is on file in the District Business Services Office for review.

RECOMMENDATION:
It is recommended that the Board of Trustees approve the numbered purchase orders, warrants, checks and wires that are reflected on the attached schedule.

BACKGROUND:
Each year, districts receive money from the California Community College Chancellor’s Office (CCCCO) Equal Employment Opportunity (EEO) Fund, which is allocated proportionally to the FTES of each district. Effective for 2016-2017 funding, the CCCCCO has implemented a new EEO Fund model to increase compliance with legal EEO requirements and provide our students with the educational benefits of a diverse workforce. The CCCCCO has identified nine best-practice areas for success in promoting EEO. These nine areas will serve as the “multiple methods” for allocating the EEO Fund to districts.

The District’s EEO Advisory Committee, chief human resources officer, chief executive officer and governing board must certify on the EEO Fund Multiple Method Allocation Model Certification Form (EEO Fund Certification Form) that the District met a minimum of the multiple method requirements in order to receive EEO funds.

STATUS:
The Human Resources office prepared and presented the 2015-16 EEO Fund Certification Form to the District’s EEO Advisory Committee. The District’s EEO Advisory Committee certified the 2015-16 EEO Fund Certification Form during their February 26, 2016 meeting, indicating the district met each of the nine multiple method requirements. The chief human resources officer and chancellor have certified the EEO Fund Certification Form. The EEO Fund Certification Form is attached, with the associated district and college documents available for review in the Human Resources office.

RECOMMENDATION:
It is recommended that the Board of Trustees approve and certify the 2015-16 EEO Fund Certification Form.

BACKGROUND:
During the District’s re-accreditation review in October 2015, the visiting team believed that there was no explicit Policy or Regulation for the recruitment and selection of the College Presidents, despite the statements and evidence that the District has consistently applied the Policies and Procedures for the hiring of Managers for this position.

STATUS:
To address the visiting team’s concern, the proposed Policies adopt the same language as P-9121 Recruitment: Management and Confidential and P-9122 Initial Selection: Management and Confidential to specifically describe the process by which College Presidents are recruited and selected. The proposed Policies delete the irrelevant information regarding management and confidential positions, information on Faculty Service Areas, and non-applicable provisions regarding STRS/PERS options.

These Policies are presented for first reading.

**BACKGROUND:**
During the District’s re-accreditation review in October 2015, the visiting team believed that the Policy regarding the College President’s authority should be in Policy 4111, rather in Policy 2411. In addition, the recent shift in the Deputy Chancellor’s position from the business side of the institution to the education side of the institution required rethinking the ways in which responsibilities and signature authority were accounted for in this Policy as well as across the Policies and Regulations.

**STATUS:**
The proposed changes to Policy 4111 state that where the Deputy Chancellor is from the business side of the house, he or she is responsible for items within the purview of the Vice Chancellor of Finance and Administration. Where the Deputy Chancellor comes from the education side of the house, he or she is responsible for items within the purview of the Vice Chancellor of Education and Technology. In addition, in light of accreditation recommendations, the Policy delegating authority to the College Presidents has been lifted from the 2000 series and placed in this Policy. The changes to Policy 4111 reaffirm the order of succession in the unlikely event the Chancellor is unable to fulfill his or her duties.

**RECOMMENDATION:**
This Policy is presented for first reading.
1.0 Authority (Ed. Code, § 70902)

1.1 The Chancellor shall serve as the chief executive officer for the Los Rios Community College District Board of Trustees. The administration of the Los Rios Community College District in all its aspects shall be delegated to the Chancellor who shall carry out the administrative responsibilities and functions in accordance with the District Policies adopted by the Board of Trustees. The Board of Trustees also delegates to the Chancellor the execution of all decisions made by the Board of Trustees concerning the internal operation of the District. In the unlikely event the Chancellor resigns without notice, becomes incapacitated, or is unable to discharge the powers and duties of the office, the Deputy Chancellor (or the Vice Chancellor of Education and Technology, if the Deputy Chancellor is not available) shall act in the place of the Chancellor until an Interim Chancellor is appointed by the Board of Trustees.

The remaining order of succession is the Vice Chancellor of Finance and Administration, the Vice Chancellor of Education and Technology, and the Vice Chancellor of Resource Development. Where the Deputy Chancellor is the chief educational Vice Chancellor of the District, the Deputy Chancellor has all of the rights and responsibilities of the Vice Chancellor of the Education and Technology under the District Policies and Administrative Regulations. Where the Deputy Chancellor is the chief financial Vice Chancellor of the District, the Deputy Chancellor has all of the rights and responsibilities of the Vice Chancellor of Finance and Administration under the District Policies and Administrative Regulations.

1.2 The Board of Trustees is responsible for the recruitment and selection of the Chancellor. The Board of Trustees or designee shall establish the qualifications for the position and the timeline for the search. The Board of Trustees, in its discretion, shall implement the appropriate recruitment method and shall comply with all relevant provisions of the Education Code and Title 5 of the California Code of Regulations.

In this hiring process, the Board of Trustees shall solicit input on the recruitment and hiring process from representatives of the District’s certificated, classified, managerial, confidential and student constituencies.

1.3 The Chancellor may delegate any powers and duties entrusted by the Board of Trustees, including the administration of the colleges, but the Chancellor shall be specifically responsible to the Board of Trustees for the execution of such delegated powers and duties.

1.3.14 The President of a College in the District serves as the chief administrator of the College and is responsible for the overall supervision of the operation of the College in conformity with the directives and duties as defined by the Chancellor and consistent with the District Policies of the Board of Trustees. The Chancellor delegates full responsibility and authority to the College Presidents to implement and administer delegated District Policies without
interference and holds College Presidents accountable for the operation of the College.

4.41.5 Whenever a power is granted to, or a duty is imposed upon, any District employee by District Policy or Administrative Regulation, the power may be exercised or the duty may be performed by a person authorized by the employee, unless a District Policy or Administrative Regulation specifically provides otherwise.

4.51.6 The further delegation of functions to lower-level management positions is accomplished by job descriptions, subject to review by the Board of Trustees, delineating assigned duties, responsibilities and accountability.

4.5.41.6.1 The duties and responsibilities thus assigned are outlined as a guide to incumbents in these positions and do not, in any way, limit the accountability, responsibility or basic authority of the Chancellor for the administration of any part of the District’s function.

2.0 Los Rios Community College District Officers

2.1 The College Presidents, the Deputy Chancellor, the Vice Chancellors, the General Counsel, and the Associate Vice Chancellors shall be described as District Officers.

3.0 Table of Organization

3.1 The Chancellor shall develop an organization chart showing channels of communication, responsibility and accountability.

4.0 Severability Clause

4.1 If any provision of the District’s policies and regulations or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of District Policies and Administrative Regulations which can be given effect without the invalid provision or application, and to this end the provisions of District Policies and Administrative Regulations are severable. In lieu thereof there shall be added a provision as similar in terms to such illegal, invalid and unenforceable provision as may be possible and be legal, valid and enforceable.

BACKGROUND:
Education Code, section 87458 requires that managers terminated from their management position without causes and who are not part of the classified service are entitled to retreat to a faculty position as a first year probationary employee if there is an opening in a discipline for which they are qualified to teach. This applies only to persons who have not previously attained tenure. Historically, the District has provided this retreat right only to educational managers. Upon the regular review of the District Policies and Administrative Regulations, it was determined that the Policy on this subject was capable of a broader interpretation than intended.

STATUS:
As a result, Policy 9136 is being modified to clarify the existing practice that retreat rights are available only to educational managers. Additionally, the proposed Policy contains a handful of nonsubstantive changes.

RECOMMENDATION:
This Policy is presented for first reading.
1.0 Academic Employee

1.1 A tenured academic employee, when assigned from a faculty position to a management position or assigned any special or other type of work or given special classification or designation, shall remain a tenured faculty member. (Education Ed. Code, § 87454)

1.2 All persons employed in a management position before July 1, 1990 will be subject to rules and regulations regarding reassignment to a non-management position that were in practice as of June 30, 1990.

2.0 Managers

2.1 Except for a manager in a categorical or specially funded position, a person employed in a management position that is not part of the classified service, who has not previously acquired tenured status as a faculty member, shall have the right of assignment as a first-year probationary faculty member once the managerial assignment ends, or if the manager’s request for assignment is approved, if all of the following apply:

2.1.1 The manager holds a credential in the discipline of the assignment or meets the minimum qualifications or equivalencies for the discipline to which the manager will be assigned as delineated in the Los Rios Community College District’s list of minimum qualifications and equivalencies. For purposes of this policy, recency in the discipline would not be a condition of reassignment.

2.1.2 The manager has completed at least two years of satisfactory District service, including any prior District service as a faculty member.

2.1.3 The termination of the management assignment is for any reason other than cause.

2.1.4 The reasons for the assignment are presented to the manager in writing by the Chancellor on behalf of the Los Rios Community College District Board of Trustees, if requested by the manager. (Education Ed. Code, § 87458)

2.2 Section 2.1 shall not apply to a manager in a categorical or specially funded position.

2.3 Nothing in this District Policy will prohibit a manager from receiving an administrative review of the decision to assign to faculty in accordance with Board-District Policy and Administrative Regulation P-9321/R-9321, if requested.
3.0 Determination of Assignment

3.1 The Chancellor, acting on behalf of the Board of Trustees, shall seek the advice and judgment of the District Academic Senate when considering the discipline of the assignment of a manager to the faculty. The Chancellor will include the District Senate's written recommendation together with the recommendation being presented to the Board of Trustees. A written record of the decision of the Board of Trustees, including the views of the District Academic Senate, shall be available for review. (Education Code, § 87458)

3.2 Whenever possible, the manager will be assigned to a discipline in which the manager has not only the minimum qualifications, but where the following conditions apply:

3.2.1 There are sufficient assignments in the discipline or service at one college or location currently held by temporary faculty to make a full-time assignment for an additional faculty member;

3.2.2 The manager has indicated a preference for the assignment in writing.

4.0 Retraining

4.1 Opportunities for retraining (up to one semester) may be made available to managers being considered for reassignment. The Chancellor or designee and the manager will develop the retraining goals and the courses of study or training activities to be undertaken to achieve these goals.

4.2 The manager shall agree in writing to serve the District for two (2) years following a retraining leave. At the option of the District, this requirement may be waived.

4.3 Vacation will not continue to accrue during a retraining leave. Accrued vacation will be paid if the manager is reassigned to a different employee unit.

4.4 A manager may be assigned other duties during a retraining leave.

№ 2016-03

Support for California Assembly Bill 1721 – Student Financial Aid: Cal Grant Program

WHEREAS, Governor Jerry Brown, the California State Senate and the Assembly ratified legislation in 2015 to increase competitive Cal Grants by 3,250 awards—the first increase in over a decade; and

WHEREAS, books, transportation and housing costs can make up more than 90% of the total cost of attending a community college; and

WHEREAS, AB 1721 will expand access to the Cal Grant program to cover non-tuition costs for community college students; it will increase the number of competitive Cal Grant A and B awards from 25,750 to 30,000, increase the amount of the Cal Grant B Access award from $1,551 to $3,000, and expand access to the California Community College Transfer Entitlement Award by increasing the age limit to 31 (from 28) and extending the application deadline; and

WHEREAS, the much-needed improvements to the Cal Grant program will allow more disadvantaged students to achieve their educational goals, obtain their degrees, and get into the workforce; and

WHEREAS, AB 1721 provides funding to community colleges to establish regional Promise Programs, which may include early exposure to the college-going culture, guidance from mentors, and alignment between K-12, community colleges, California’s universities and the State’s workforce; and

WHEREAS, the Community College League of California strongly supports AB 1721 as legislation that will increase opportunity by making college more affordable to all Californians; and

BE IT RESOLVED that the Board of Trustees of the Los Rios Community College District supports AB 1721 as a means to remove barriers to access and success at California’s community colleges.

Deborah Ortiz, Board President

Brian King, Chancellor and Secretary to the Board
BACKGROUND:
In March 2002 the electorate of the District passed Measure A, a $265 million general obligation bond authorization for the construction and modernization of District facilities. The District has issued five series of bonds under the authorization for a total of $237.5 million. The most recent two series are Series D, issued in August 2009 for $55 million and Series E, issued in June 2013 for $20 million. All five series were issued with a maximum term of twenty-five (25) years as well as call provisions for some of the bonds. The District has exercised certain call provisions under Series A, B and C by the process known as refunding. Refunding is similar in nature to refinancing whereby debt with a higher interest rate is retired using debt with a lower interest rate. The savings obtained through refunding are passed on to the District’s taxpayers. The savings realized from the earlier refundings was $5.7 million (net present value).

STATUS:
Series D was issued in August 2009 with a true interest cost of 4.97%. The current interest rate environment as well as the low assessment rate for Measure A outstanding debt presents an opportunity to refund a portion of the Series D Bonds by issuing General Obligation Refunding Bonds in the amount not to exceed $48 million. The projected net taxpayer savings is approximately $15.2 million with a net present value (NPV) savings of $9.6 million. The savings as a percentage of the refunding bonds is over 20%. Typically, a NPV savings of 5% is used as the measure that a refunding is worthwhile. The projected savings are based upon a net present value of savings after any cost of issuance including: additional interest expense, financial advisor, legal and underwriting fees.

The amount of savings generated by a refunding depends greatly on the bond market conditions on the day of the refunding. An additional factor is the structure of the repayment of the refunding bonds. Under state law, the number of years over which a refunding bond is repaid cannot be longer than the original bond being refunded. However, there is no restriction to shortening the number of years of repayment.

By reducing the number of years over which the refunding bonds are to be repaid, significant long-term taxpayer savings can be realized even though tax rates in the earlier years may be
somewhat higher. When Measure A was passed, the projected average tax rate per $100,000 was $9.96 with the highest rate projected at $16.25. Over the life of the bonds, the rate has ranged from $1.50 to $13.40, averaging around $7.50 over the fourteen years of assessments. For tax year 2016, the assessment was $3.50. Because the assessments for Measure A are so low, the District can issue refunding bonds with shorter terms, thereby saving more for our taxpayers while still meeting the original tax rate projections provided to voters.

The savings described above are based upon a projected assessment of $9.96 for all outstanding debt under Measure A including the refunded bonds as well as the $27.5 million of a new Series F bond that is projected to be issued in 2017. The $9.96 tax rate would run through 2025 at which time the tax rate would decline falling to less than $4 by 2028.

RECOMMENDATION:
It is recommended that the Board of Trustees approve Resolution № 2016-04 approving the issuance and sale of the 2016 General Obligation Refunding Bonds in the principal amount of not to exceed $48,000,000 for the purpose of refunding the outstanding series D Bonds, and approving related actions and documents, including the Preliminary Official Statement relating to the refunding bonds.

TERMS OF REFUNDING BONDS

Section 2.01. Authorization. The Board hereby determines that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds under the provisions of the Bond Law without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District. To that end, the Board hereby authorizes the issuance of the Refunding Bonds in the aggregate principal amount of not to exceed $48,000,000, subject to the terms of the Bond Law and this Resolution, for the purpose of providing funds to refinance the Refunded 2002 Series D Bonds.

This Resolution constitutes a continuing agreement between the District and the Owners of all of the Outstanding Refunding Bonds to secure the full and final payment of principal of and interest and premium, if any, on the Refunding Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Refunding Bonds shall be designated the “Los Rios Community College District (Sacramento County, California) 2016 General Obligation Refunding Bonds”.

As provided in Section 53552 of the Bond Law, the Refunding Bonds shall not be issued unless the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds is less than the total net interest cost to maturity on the Refunded 2002 Series D Bonds plus the principal amount of the Refunded 2002 Series D Bonds. Before issuing the Refunding Bonds, the District shall receive confirmation from Dale Scott & Company Inc., as financial advisor to the District, that the requirements of Section 53552 of the Bond Law have been satisfied.

Section 2.02. Terms of Refunding Bonds.

(a) Form; Numbering. The Refunding Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of $5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Refunding Bonds maturing in the year
of maturity of the Refunding Bond for which the denomination is specified. The Refunding Bonds shall be lettered and numbered as the Paying Agent prescribes.

(b) Date of Refunding Bonds. The Refunding Bonds shall be dated as of the Closing Date.

(c) Maturities: Interest. The Refunding Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) on August 1 in each of the years and in the amounts to be determined upon the sale of the Refunding Bonds in accordance with the Official Notice of Sale. The Refunding Bonds shall bear interest, payable semiannually on each Interest Payment Date, as determined upon the sale thereof in accordance with the Official Notice of Sale.

Each Refunding Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it shall bear interest from the dated date of the Refunding Bonds; provided, however, that if at the time of authentication of a Refunding Bond, interest is in default thereon, such Refunding Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(d) Payment. Interest on the Refunding Bonds (including the final interest payment upon maturity or redemption) is payable by check or draft of the Paying Agent mailed to the Owner thereof at such Owner’s address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least $1,000,000 aggregate principal amount of the Refunding Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Refunding Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Refunding Bonds are payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

Section 2.03. Redemption.

(a) Optional Redemption Dates and Prices. The Refunding Bonds shall be subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on the dates and at the redemption prices which are set forth in the Official Notice of Sale.

(b) Mandatory Sinking Fund Redemption. If and as determined upon the sale of the Refunding Bonds, any maturity of Refunding Bonds shall be designated as Term Bonds which are subject to mandatory sinking fund redemption on August 1 in each of the years as determined upon the sale of the Refunding Bonds, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of the Term Bonds have been redeemed under the preceding subsection (a) of this Section, the aggregate principal amount of such Term Bonds to be redeemed in each year under this subsection (b) will be reduced on a in
integral multiples of $5,000, as designated in written a Written Request of the District filed with the Paying Agent.

(c) Selection of Refunding Bonds for Redemption. Whenever less than all of the Outstanding Refunding Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Refunding Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Refunding Bond will be deemed to consist of individual Refunding Bonds of $5,000 denominations, which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be mailed, first class mail, postage prepaid, at least 30 days but not more than 60 days before the date fixed for redemption, to (i) to the Municipal Securities Rulemaking Board, and (ii) to the respective Owners of any Refunding Bonds designated for redemption, at their addresses appearing on the Registration Books. Such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Refunding Bonds. In addition, the Paying Agent shall give notice of redemption by telecopy or certified, registered or overnight mail to each of the Securities Depositories at least two days before such mailing to the Refunding Bond Owners.

Such notice shall (i) state the redemption date and the redemption price, (ii) if less than all of the then Outstanding Refunding Bonds are to be called for redemption, designate the serial numbers of the Refunding Bonds to be redeemed by giving the individual number of each Refunding Bond or by stating that all Refunding Bonds between two stated numbers, both inclusive, or by stating that all of the Refunding Bonds of one or more maturities have been called for redemption, (iii) require that such Refunding Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, and (iv) state that further interest on such Refunding Bonds will not accrue from and after the redemption date.

Upon surrender of Refunding Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Refunding Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Refunding Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Refunding Bonds so called for redemption have been duly provided, such Refunding Bonds so called will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice. The Paying Agent shall cancel all of the Refunding Bonds, and submit a certificate of cancellation to the District.

(e) Right to Rescind Notice of Optional Redemption. The District has the right to rescind any notice of the optional redemption of Refunding Bonds by written notice to the Paying Agent on or before the dated fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Refunding Bonds then called for redemption, and such cancellation will not constitute a default hereunder. The District and the Paying Agent have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption
in the same manner as the original notice of redemption was sent under subsection (d) of this Section.

**Section 2.04. Form of Refunding Bonds.** The Refunding Bonds, the form of the Paying Agent’s certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution, as set forth in Appendix A hereto.

**Section 2.05. Execution of Refunding Bonds.** The Refunding Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Secretary of the Board, and the seal of the Board shall be reproduced thereon. No Refunding Bond is valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent.

The Refunding Bonds shall be in substantially the form attached hereto as Appendix A and incorporated herein by this reference, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution and the Official Notice of Sale.

Only those Refunding Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Refunding Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

**Section 2.06. Transfer of Refunding Bonds.** Any Refunding Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Refunding Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Refunding Bond issued upon any transfer.

Whenever any Refunding Bond is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Refunding Bond or Bonds, for like aggregate principal amount. No transfers of Refunding Bonds may be made (a) 15 days before the date established by the Paying Agent for selection of Refunding Bonds for redemption or (b) with respect to a Refunding Bond which has been selected for redemption.

**Section 2.07. Exchange of Refunding Bonds.** Refunding Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Refunding Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Refunding Bond issued upon any exchange (except in the case of any exchange of temporary Refunding Bonds for definitive Refunding Bonds). No exchanges of Refunding Bonds shall be required to be made (a) during the 15 days before the date established by the Paying Agent for selection of Refunding Bonds for redemption, or (b) with respect to a Refunding Bond which has been selected for redemption.

Section 2.08. Registration Books. The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Refunding Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Refunding Bonds as herein before provided.

Section 2.09. Book-Entry System. Except as provided below, the Owner of all of the Refunding Bonds shall be DTC, and the Refunding Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Refunding Bonds shall be initially executed and delivered in the form of a single fully registered Refunding Bond for each maturity date of the Refunding Bonds in the full aggregate principal amount of the Refunding Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Refunding Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Refunding Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Refunding Bonds. The District shall cause to be paid all principal and interest with respect to the Refunding Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to the principal and interest with respect to the Refunding Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Refunding Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term “Cede & Co.” in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Refunding Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Refunding Bonds. In such event, the District shall issue, transfer and exchange Refunding Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Refunding Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Refunding Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Refunding Bonds evidencing the Refunding Bonds to any Depository System Participant having Refunding Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Refunding Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Refunding Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Refunding Bond and all notices with respect to such Refunding Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Refunding Bonds.
Section 2.10. Refunding Bonds Mutilated, Lost, Destroyed or Stolen. If any Refunding Bond is mutilated the District, at the expense of the Owner of said Refunding Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like maturity and principal amount in exchange and substitution for the Refunding Bond so mutilated, but only upon surrender to the Paying Agent of the Refunding Bond so mutilated. Every mutilated Refunding Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Refunding Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the District and, if such evidence be satisfactory to the District and indemnity satisfactory to it shall be given, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like maturity and principal amount in lieu of and in substitution for the Refunding Bond so lost, destroyed or stolen. The District may require payment of a sum not exceeding the actual cost of preparing each new Refunding Bond issued under this Section and of the expenses which may be incurred by the District and the Paying Agent in the premises. Any Refunding Bond issued under the provisions of this Section in lieu of any Refunding Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Refunding Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Refunding Bonds issued under this Resolution.

Notwithstanding any other provision of this Section, in lieu of delivering a new Refunding Bond for which principal has or is about to become due for a Refunding Bond which has been mutilated, lost, destroyed or stolen, the Paying Agent may make payment of such Refunding Bond in accordance with its terms.

Following the issuance of the Refunding Bonds by the District, the Refunding Bonds shall be incontestable by the District.

Section 5.04. Tax Covenants.

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Refunding Bonds are not so used as to cause the Refunding Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Refunding Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Refunding Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Refunding Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Refunding Bonds from the gross income of the Owners of the Refunding Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Refunding Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, if and to the extent such Section 148(f) is applicable to the Refunding Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Refunding Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District deems appropriate.

Section 5.05. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under
the Refunding Bonds; however, any Participating Underwriter (as that term is defined in the
Continuing Disclosure Certificate) or any holder or beneficial owner of the Refunding Bonds
may, take such actions as may be necessary and appropriate to compel performance, including
seeking mandate or specific performance by court order.

Section 5.06. Further Assurances. The District will adopt, make, execute and deliver
any and all such further resolutions, instruments and assurances as may be reasonably
necessary or proper to carry out the intention or to facilitate the performance of this Resolution,
and for the better assuring and confirming unto the Owners of the Refunding Bonds of the rights
and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

Section 6.01. Appointment of Paying Agent. The Director of Finance is hereby
appointed to act as Paying Agent for the Refunding Bonds and, in such capacity, shall also act
as registration agent and authentication agent for the Refunding Bonds. The Paying Agent
undertakes to perform such duties, and only such duties, as are specifically set forth in this
Resolution, and even during the continuance of an event of default with respect to the
Refunding Bonds, no implied covenants or obligations shall be read into this Resolution against
the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations
imposed upon it by this Resolution by executing and delivering to the District a certificate to that
effect.

The District may remove the Paying Agent initially appointed, and any successor thereto,
and may appoint a successor or successors thereto, but any such successor shall be a bank or
trust company doing business and having an office in the State of California, having a combined
capital (exclusive of borrowed capital) and surplus of at least $48,000,000, and subject to
supervision or examination by federal or state authority. If such bank or trust company
publishes a report of condition at least annually, under law or to the requirements of any
supervising or examining authority above referred to, then for the purposes of this Section the
combined capital and surplus of such bank or trust company shall be deemed to be its
combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the
Refunding Bond Owners of such resignation. Upon receiving notice of such resignation, the
District shall promptly appoint a successor Paying Agent by an instrument in writing. Any
resignation or removal of the Paying Agent and appointment of a successor Paying Agent will
become effective upon acceptance of appointment by the successor Paying Agent.

Section 6.02. Paying Agent May Hold Refunding Bonds. The Paying Agent may
become the owner of any of the Refunding Bonds in its own or any other capacity with the same
rights it would have if it were not Paying Agent.

Section 6.03. Liability of Agents. The recitals of facts, covenants and agreements in
this Resolution and in the Refunding Bonds constitute statements, covenants and agreements
of the District, and the Paying Agent assumes no responsibility for the correctness of the same,
nor makes any representations as to the validity or sufficiency of this Resolution or of the
Refunding Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in
this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution requires the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

**Section 6.04. Notice to Paying Agent.** The Paying Agent may rely and is protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof is specifically prescribed in this Resolution) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

**Section 6.05. Compensation; Indemnification.** The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under Resolution. The District further agrees to indemnify the Paying Agent against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.
ARTICLE VII

Section 7.01. Remedies of Refunding Bond Owners. Any Refunding Bond Owner has the right, for the equal benefit and protection of all Refunding Bond Owners similarly situated:

(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Refunding Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

(b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Refunding Bond Owners' rights; or

Section 7.02. Remedies Not Exclusive. No remedy herein conferred upon the Owners of Refunding Bonds shall be exclusive of any other remedy and that each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereafter conferred on the Refunding Bond Owners.

ARTICLE VIII

materi1ally adversely affect the interests of the Refunding Bond Owners in
the opinion of Bond Counsel filed with the District; or

(d) to make such additions, deletions or modifications as may be necessary or
desirable to assure exemption from federal income taxation of interest on
the Refunding Bonds.

Section 8.02. Amendments Effective With Consent of the Owners. The Board may
amend this Resolution from time to time for any purpose not set forth in Section 8.01, with the
written consent of the Owners of a majority in aggregate principal amount of the Refunding

Refunding Bonds. No amendment may be made to the rights or obligations of any Paying

ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Resolution Limited to Parties. Nothing in this Resolution,
expressed or implied, gives any person other than the District, the County, the Paying Agent
and the Owners of the Refunding Bonds, any right, remedy, claim under or by reason of this
Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the
sole and exclusive benefit of the Owners of the Refunding Bonds.

SECTION 9.02. Defeasance of Refunding Bonds.

(a) Discharge of Resolution. Refunding Bonds may be paid by the District in any of
the following ways, provided that the District also pays or causes to be paid any other sums
payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and
interest on such Refunding Bonds, as and when the same become due and
payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities
in the necessary amount (as provided in Section 9.02(c) hereof) to pay or
redeem such Refunding Bonds; or

(iii) by delivering such Refunding Bonds to the Paying Agent for cancellation by
it.
If the District pays all Outstanding Refunding Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Refunding Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In that event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Refunding Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Refunding Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Refunding Bond (whether upon or prior to its maturity or the redemption date of such Refunding Bond), provided that, if such Refunding Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Refunding Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Refunding Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Refunding Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Refunding Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Refunding Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Refunding Bonds and all unpaid interest thereon to maturity, except that, in the case of Refunding Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Refunding Bonds and all unpaid interest thereon to the redemption date; or
Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Refunding Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Refunding Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Refunding Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Refunding Bonds and remaining unclaimed for two years after the principal of all of the Refunding Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Refunding Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Refunding Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Refunding Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

Section 9.03. Execution of Documents and Proof of Ownership by Refunding Bond Owners. Any request, declaration or other instrument which this Resolution may require or permit to be executed by Refunding Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Refunding Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Refunding Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Refunding Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Refunding Bond shall bind all future Owners of such Refunding Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.
Section 9.04. Waiver of Personal Liability. No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal or interest on the Refunding Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.05. Non-Liability of County; Indemnification. Notwithstanding anything stated to the contrary in this Resolution, (a) the Refunding Bonds are not a debt of the County, including its Board of Supervisors, officers, officials, agents and employees, and the County, including its Board of Supervisors, officers, officials, agents and employees, has no obligation to repay the Refunding Bonds; (b) the Board of Supervisors’ sole responsibilities hereunder are to levy a tax for the repayment of the Refunding Bonds, as provided in Section 15250 of the California Education Code, and (i) neither the County, nor the Board of Supervisors, nor any officer, official, agent or employee of the County, has any obligation or liability hereunder or in connection with the transactions contemplated hereby other than as specified in said Code Section; (ii) the Refunding Bonds, including interest thereon, are payable solely from taxes levied by the Board of Supervisors under Section 15250 of the California Education Code; and (iii) the County, including its Board of Supervisors, officers, officials, agents and employees, shall retain all of their respective constitutional and statutory privileges, immunities, rights and defenses in carrying out their duties under this Resolution.

The County, including its Board of Supervisors, officers, officials, agents and employees, shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of the District’s default with respect to the repayment of the Refunding Bonds, including interest thereon, no implied covenants or obligations shall be read into this Resolution against the County, including its Board of Supervisors, officers, officials, agents and employees.

The District further agrees to indemnify, defend and hold harmless the County, including its Board of Supervisors, officers, officials, agents and employees, against the payment of any and all liabilities, losses, costs and expenses (including attorneys fees and court costs), damages and claims which the County, including its Board of Supervisors, officers, officials, agents and employees, may incur in the exercise and performance of its or their powers and duties hereunder which are not due to its or their negligence or bad faith.

Section 9.06. Destruction of Canceled Refunding Bonds. Whenever in this Resolution provision is made for the surrender to the District of any Refunding Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Refunding Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Refunding Bonds therein referred to.

Section 9.07. Partial Invalidity. If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Refunding Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such
duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Refunding Bond Owners.

**Section 9.08. Execution of Documents.** Each District Representative and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Refunding Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

**Section 9.09. Effective Date of Resolution.** This Resolution shall take effect from and after the date of its passage and adoption.

This ESCROW AGREEMENT (this “Agreement”), dated April 21, 2016, is between the LOS RIOS COMMUNITY COLLEGE DISTRICT, a community college district organized and existing under the Constitution and laws of the State of California (the “District”), and U.S. BANK NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States of America, as escrow agent (the “Escrow Agent”).

BACKGROUND:
1. A bond election was duly and regularly held in the Los Rios Community College District (the “District”) on March 5, 2002, for the purpose of submitting a measure to the qualified electors of the District authorizing the issuance of general obligation bonds of the District in the maximum aggregate principal amount of $250,000,000 (the “Bonds”), and more than 55% of the votes cast at said election were in favor of the issuance of the Bonds.

2. The District has previously issued a series of the Bonds designated the “Los Rios Community College District (Sacramento County, California) General Obligation Bonds, Election 2002, Series D” in the aggregate principal amount of $55,000,000 (the “2002 Series D Bonds”), under Resolution No. 2009-05 adopted by the Board of Trustees of the District of Sacramento on June 17, 2009 (the “2002 Series D Bond Resolution”).

3. The District has issued its Los Rios Community College District (Sacramento County, California) 2016 General Obligation Refunding Bonds in the aggregate principal amount $__________ (the “2016 Bonds”) for the purpose of advance refunding a portion of the outstanding 2002 Series D Bonds and thereby realizing financial savings to property tax payers in the District.

4. The Director of Finance of the County of Sacramento acts as paying agent (the “Paying Agent”) for the 2002 Series D Bonds under the 2002 Series D Bond Resolution.

5. As a result of the deposit and investment of funds in accordance with this Agreement, the portion of the 2002 Series D Bonds which are refunded will be discharged and defeased in accordance with the 2002 Series D Bond Resolution.
**AGREEMENT:**

In consideration of the premises and the material covenants contained herein, the District and the Escrow Agent hereby agree as follows:

**SECTION 1. Definition of Federal Securities.** As used herein, the term “Federal Securities” means any non-callable United States Treasury notes, bonds, bills or certificates of indebtedness, or any other non-callable obligations the timely payment of which is directly or indirectly guaranteed by the faith and credit of the United States of America.

**SECTION 3. Appointment of Escrow Agent; Establishment of Escrow Fund.** The District hereby appoints the Escrow Agent to act as escrow agent for purposes of administering the funds required to redeem and defease the 2002 Series D Bonds maturing on and after August 1, 2020 (the “Refunded 2002 Series D Bonds”).

The Escrow Agent is directed to establish an escrow fund (the “Escrow Fund”) to be held by the Escrow Agent in trust as an irrevocable escrow securing the payment of the Refunded 2002 Series D Bonds as hereinafter set forth. All cash and Federal Securities in the Escrow Fund are hereby irrevocably pledged as a special fund for the payment of the principal of and interest on the Refunded 2002 Series D Bonds in accordance with the 2002 Series D Bond Resolution.

If at any time the Escrow Agent receives actual knowledge that the cash and Federal Securities in the Escrow Fund will not be sufficient to make any payment required by Section 4 in respect of the Refunded 2002 Series D Bonds, the Escrow Agent shall notify the District of such fact and the District shall immediately cure such deficiency from any source of legally available funds. The Escrow Agent has no liability for any such insufficiency.

**SECTION 3. Deposit and Investment of Amounts in Escrow Fund.** On April 21, 2016 (the “Closing Date”), the District shall cause to be transferred to the Escrow Agent for deposit into the Escrow Fund the amount of $_________ in immediately available funds, to be derived from the proceeds of the 2016 Bonds.

On the Closing Date, the Escrow Agent shall invest $_________ of the amounts deposited in the Escrow Fund in the following United States Treasury Securities:

Under no circumstances shall amounts deposited in or credited to the Escrow Fund be deemed to be available for said purposes. The Escrow Agent has no lien upon or right of set off against the cash and securities at any time on deposit in the Escrow Fund.

SECTION 7. Immunities and Liability of Escrow Bank. The Escrow Bank undertakes to perform only such duties as are expressly set forth in this Agreement and no implied duties, covenants or obligations shall be read into this Agreement against the Escrow Bank. The Escrow Bank shall not have any liability hereunder except to the extent of its gross negligence or willful misconduct. In no event shall the Escrow Bank be liable for any special, indirect or consequential damages. The Escrow Bank shall not be liable for any loss from any investment made by it in accordance with the terms of this Agreement. The Escrow Bank may consult with legal counsel of its own choice and the Escrow Bank shall not be liable for any action taken or not taken by it in good faith in
reliance upon the opinion or advice of such counsel. The Escrow Bank shall not be liable for the recitals or representations contained in this Agreement and shall not be responsible for the validity of this Agreement, the sufficiency of the Escrow Fund or the moneys and securities to pay the principal of and interest on the Refunded 2002 Series D Bonds.

Whenever in the administration of this Agreement the Escrow Bank shall deem it necessary or desirable that a matter be proved or established prior to taking or not taking any action, such matter may be deemed to be conclusively proved and established by a certificate of an authorized representative of the District and shall be full protection for any action taken or not taken by the Escrow Bank in good faith reliance thereon.

The Escrow Bank may conclusively rely as to the truth and accuracy of the statements and correctness of any opinions or calculations provided to it in connection with this Agreement and shall be protected in acting, or refraining from acting, upon any notice, instruction, request, certificate, document, opinion or other writing furnished to the Escrow Bank in connection with this Agreement and believed by the Escrow Bank to be signed by the proper party, and it need not investigate any fact or matter stated therein.

SECTION 8. Termination of Agreement. Upon payment in full of the principal of and interest on the Refunded 2002 Series D Bonds and all fees, expense and charges of the Escrow Bank as described above, this Agreement shall terminate and the Escrow Bank shall be discharged from any further obligation or responsibility hereunder.

SECTION 9. Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 10. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

**PAYMENT PROVISIONS:** Interest on the Bonds will be payable on August 1, 2016, and on February 1 and August 1 in each year thereafter (the “Interest Payment Dates”), to the registered owners by check or draft of U.S. Bank National Association, as Paying Agent (the “Paying Agent”) or, in the case of the owner of Bonds in an aggregate principal amount of at least $1,000,000, at the written request of such owner by wire transfer. Principal of and premium (if any) on any Bond will be paid upon presentation and surrender thereof at the office of the Paying Agent in St. Paul, Minnesota. The principal of and interest and premium (if any) on the Bonds are payable in lawful money of the United States of America.

**OPTIONAL REDEMPTION:** Bonds maturing on or before August 1, 2026, are not subject to redemption prior to their respective stated maturities. Bonds maturing on or after August 1, 2027, are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, from any available source of funds, on August 1, 2026, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed together with accrued interest thereon to the date fixed for redemption, without premium.

**SINKING FUND REDEMPTION:** Any bidder may, at its option, specify that one or more maturities of the Bonds will consist of term Bonds which are subject to mandatory sinking fund redemption in consecutive years immediately preceding the maturity thereof, as designated in the bid of such bidder. If the bid of the successful bidder specifies that any maturity of Bonds will be term Bonds, such term Bonds will be subject to mandatory sinking fund redemption on August 1 in each year so designated in the bid, in the respective amounts for such years as set forth above under the heading “MATURITIES”, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest to the redemption date, without premium.

**SECURITY:** The Bonds are general obligations of the District, and the District will direct the appropriate officials of each county in which the District is located, including Sacramento County (the “County”), to levy ad valorem taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount.

**TAX-EXEMPT STATUS:** In the opinion of Jones Hall, A Professional Law Corporation, bond counsel to the District, interest on the Bonds is excluded from gross
income for federal income tax purposes and is not an item of tax preference for purposes of the federal individual and corporate alternative minimum taxes, although it is included in certain income and earnings in computing the alternative minimum tax imposed on certain corporations. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. Bidders are referred to the Preliminary Official Statement for a description of the proposed opinion of Bond Counsel. If prior to the delivery of the Bonds either (a) the interest on other obligations of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse effect upon owners of the Bonds as such, the successful bidder for the Bonds may, at its option, prior to the tender of the Bonds, be relieved of its obligation under the contract to purchase the Bonds, and in such case the deposit accompanying its proposal will be returned.

LEGAL OPINION: The legal opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, approving the validity of the Bonds, will be furnished to the purchaser of the Bonds without cost. A copy of the legal opinion will be appended to each Bond.

FURTHER INFORMATION: A copy of the preliminary Official Statement describing the Bonds, and any other information concerning the proposed financing, will be furnished upon request to the financial advisor to the District (the “Financial Advisor”), as follows: Dale Scott & Co., 650 California Street, 8th Floor, San Francisco, California 94108, tel: (415) 956-1030. Such information is also available on the website of the Financial Advisor at http://www.dalescott.com/what-we-do-2/upcoming-financings/.

MUNICIPAL BOND INSURANCE; BIDDER’S OPTION: The District has applied to certain bond insurance companies for a commitment to issue a policy insuring the payment when due of principal of and interest on the Bonds. Information concerning the availability of municipal bond insurance may be also obtained by contacting the Financial Advisor as described above. In the event the District obtains a commitment for municipal bond insurance, each bidder has the option to elect whether such insurance will be issued. If the winning bidder elects to obtain any policy of municipal bond insurance, the premium for such insurance and the costs of any related ratings will be paid by the bidder, and the District will have no responsibility for payment of such premium and costs.

CERTIFICATE REGARDING MUNICIPAL BOND INSURANCE: If the winning bidder elects to obtain a policy of municipal bond insurance for the Bonds, the bidder will be required to execute and deliver to the District a certificate, in form and substance acceptable to bond counsel, stating that (a) the present value of the fees for the municipal bond insurance policy is less than the present value of expected interest savings as a result of the insurance, determined by using the yield of the Bonds as the discount rate in computing present value; and (b) based on the experience of the purchaser in assisting issuers to obtain municipal bond insurance, the fees for the bond insurance policy do not exceed a reasonable arm’s length charge for transfer of the credit risk represented by the insurance and do not include any payment for any direct or indirect services other than the transfer of credit risk.
TERMS OF SALE

RIGHT TO CANCEL, POSTPONE OR RESCHEDULE SALE: The District reserves the right to cancel, postpone or reschedule the sale of the Bonds upon notice published on the website of the Financial Advisor and through the TM3 system, not less than 24 hours before the time for receipt of bids. If the sale is postponed, bids will be received at the above place at such date and hour as set forth in the notice. Failure of any bidder to receive such notice or any other form of notice of canceled, postponed or rescheduled sale will not affect the legality or validity of any sale.

SUBMISSION OF BIDS: Bids will be received electronically as described below, provided that such electronic bid and the good faith deposit (described below), must be received no later than the date and time set for receipt of bids. All bids must be accompanied by a good faith deposit as more fully described below.

ELECTRONIC BIDS: The District will accept bids in electronic form through the Parity electronic bidding system. Each bidder submitting an electronic bid agrees by doing so that it is solely responsible for all arrangements with Parity and that Parity is not acting as an agent of the District. Instructions and forms for submitting electronic bids must be obtained from Parity, and the District assumes no responsibility for ensuring or verifying bidder compliance with Parity’s procedures. The District will be entitled to assume that any bid received via Parity has been made by a duly authorized agent of the bidder.

Neither the District, the County, the Financial Advisor nor Bond Counsel has any responsibility for proper functioning of the Parity system, for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted, received or opened at the official time for receipt of bids. The official time for receipt of bids will be determined by the District at the place of bid opening, and the District will not be required to accept the time kept by Parity as the official time. The District assumes no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete, or not received.

MINIMUM PURCHASE PRICE: Each proposal must be for not less than all of the Bonds hereby offered for sale. [The purchase price to be paid for the Bonds by the winning bidder shall not be less than the par value thereof. No bid will be entertained which provides for a purchase price which is less than such amount.]

DESIGNATION OF INTEREST RATES: Each bidder must specify the rate or rates of interest which the Bonds will bear. The maximum rate bid on any Bonds may not exceed 8% per annum. A bidder will be permitted to bid different rates of interest for each maturity of Bonds, but:

- each interest rate specified must be in a multiple of 1/20% or 1/8%;
- no Bond may bear more than one rate of interest;
• interest on each Bond will be computed from the date of original delivery to its stated maturity at the interest rate specified in the proposal, payable on the Interest Payment Dates as set forth above;

• all Bonds maturing at any one time will bear the same rate of interest; and

• the rate of interest bid on any maturity of Bonds may not exceed the rate of interest bid on any other maturity of Bonds by more than three 3% per annum.

**DETERMINATION OF BEST BID:** The Bonds will be awarded to the responsible bidder whose bid produces the lowest true interest rate on the Bonds. The true interest rate specified in any bid will be that rate which, when used in computing the present worth of all payments of principal and interest to be paid on all Bonds from the date of original delivery (which is assumed to be April 21, 2016) to their respective maturity dates or mandatory sinking fund redemption dates, produces an amount equal to the purchase price specified in such bid. For purposes of computing the true interest rate represented by any proposal, the purchase price specified in such proposal shall be equal to the par amount of the Bonds plus any premium specified in such proposal, and the true interest rate shall be calculated by the use of a semiannual interval of compounding interest based on the Interest Payment Dates for the Bonds.

**ADJUSTMENT OF PRINCIPAL MATURITIES:** The District reserves the right to increase or decrease the principal amount of any maturity of the Bonds (or, in the case of the term Bonds, the principal amount thereof which is subject to mandatory sinking fund redemption on August 1 in any year). The District will give notice of any such adjustment to the successful bidder as soon as practicable following the notification of award. No such adjustment will alter the basis upon which the best bid is determined.

**RIGHT OF REJECTION:** The District reserves the right, in its discretion, to reject any and all bids and to the extent not prohibited by law to waive any irregularity or informality in any bid.

**PROMPT AWARD:** A representative of the District has been authorized to accept the best responsible bid for the purchase of the Bonds and to accept such bid, for and in the name of the District, by notice to the successful bidder. If two or more bids setting forth identical interest rates and premium, if any, are received, such officer may exercise discretion and judgment in making the award and may award the Bonds on a pro rata basis in such denominations as he or she determines. Such authorized representative of the District may also reject any and all bids and waive any irregularity or informality in any bid. Sale of the Bonds will be awarded or all bids will be rejected not later than 24 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder; provided, that the award may be made after the expiration of the specified time if the bidder does not notify the District in writing of the withdrawal of its proposal.

**PLACE OF DELIVERY; CANCELLATION FOR LATE DELIVERY:** It is expected that the Bonds will be delivered to DTC for the account of the successful bidder within 21 days from the date of sale thereof. The successful bidder has the right, at the successful bidder’s option, to cancel the contract of purchase if the Bonds are not tendered for
delivery within 60 days from the date of the sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying its bid.

**GOOD FAITH DEPOSIT:** The winning bidder shall wire a good faith deposit (the “Deposit”) in the amount of $____________ to the Director of Finance of Sacramento County within 24 hours following the notification of award. No interest on the Deposit will accrue to the purchaser. The amount of the Deposit will be applied as a credit towards the payment of the purchase price by the winning bidder. If after the award of the Bonds, the winning bidder fails to complete its purchase on the terms stated in its proposal, the full amount of the good faith deposit will be retained by the District.

**PAYMENT OF PURCHASE PRICE:** The successful bidder will be required to pay the purchase price of the Bonds, less the good faith deposit made under the preceding paragraph, in funds which are immediately available to the Director of Finance of Sacramento County. Such payment shall be made on the date of original delivery of the Bonds by the District to DTC.

**STATEMENT OF TRUE INTEREST RATE:** Each bidder is requested, but not required, to state in its proposal the percentage true interest rate represented by its proposal, determined as described above, which will be considered as informative only and not binding on either the bidder or the District.

**CERTIFICATION OF REOFFERING PRICE:** The winning bidder will be required, as a condition to the delivery of the Bonds by the District, to deliver to the County and the District a certificate identifying the prices at which it reasonably expects to initially offer each maturity of the Bonds to the general public (the “Initial Offering Prices”) as of the date of purchase of the Bonds (the “Sale Date”). The winning bidder will also be required, on or prior to the date of issue of the Bonds, to actually offer 100% of each maturity of the Bonds to the general public in a bona fide public offering for prices equal to or less than the Initial Offering Prices. As of the date of issue of the Bonds, the winning bidder be required execute a certificate to be prepared by Bond Counsel which states: (a) the reoffering prices of the Bonds, (b) that, as of the Sale Date, taking into account market conditions, the winning bidder had no reason to believe any of the Bonds would be initially sold to the general public at prices greater than the Initial Offering Prices, (c) that, as of the Sale Date, at least 10% of each maturity of the Bonds was initially sold to the general public for the respective Initial Offering Prices, other than specifically identified maturities of the Bonds, and (d) that, in the opinion of the winning bidder, the Initial Offering Prices do not exceed the fair market value of said maturities of the Bonds to the general public as of the Sale Date.

**NO LITIGATION:** There is no litigation pending concerning the validity of the Bonds, the corporate existence of the District, or the entitlement of the District officers to their respective offices, and the purchaser will be furnished a no-litigation certificate certifying to the foregoing as of and at the time of delivery of the Bonds.

**CUSIP NUMBERS:** It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the District,
except that the CUSIP Service Bureau charge for the assignment of said numbers will be the responsibility of and shall be paid for by the purchaser.

**California Debt and Investment Advisory Commission Fees:** All fees payable to the California Debt and Investment Advisory Commission in connection with the issuance of the Bonds are the sole responsibility of the purchaser of the Bonds.

**Official Statement:** The District has approved a Preliminary Official Statement relating to the Bonds. Copies of such Preliminary Official Statement will be distributed to any bidder, upon request, prior to the sale in a form “deemed final” by the District for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934 (the “Rule”). Within seven business days from the sale date, the District will deliver to the purchaser copies of the final Official Statement, executed by an authorized representative of the District and the District and dated the date of delivery thereof to the purchaser, in sufficient number to allow the purchaser to comply with paragraph (b)(4) of the Rule and to satisfy the Municipal Securities Rulemaking Board (the “MSRB”) Rule G-32 or any other rules adopted by the MSRB, which shall include information permitted to be omitted by paragraph (b)(1) of the Rule and such other amendments or supplements as are approved by the District (the “Final Official Statement”). The purchaser agrees that it will not confirm the sale of any Bonds unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Final Official Statement. The District will furnish to the successful bidder, at no charge, not more than 125 copies of the Official Statement for use in connection with any resale of the Bonds.

**Certificate Regarding Official Statement:** A responsible officer of the District will certify to the original purchaser of the Certificates, as a condition of closing, that based on such officer’s participation in the preparation of the Official Statement, nothing has come to his or her attention to lead him or her to believe that the Official Statement (except for certain financial statements, statistical data and other information) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

**Continuing Disclosure:** In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District has committed to undertake, under the Bond Resolution and a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the preliminary Official Statement and will also be set forth in the final Official Statement. Such Continuing Disclosure Certificate will be a document required to be delivered at closing by the District, and the failure by the District to deliver such document in form and substance acceptable to Bond Counsel and the successful bidder will relieve the successful bidder of its obligation to purchase the Bonds.

Given by order of the Board of Trustees of the Los Rios Community College District by resolution adopted March 16, 2016.
BACKGROUND
A major focus of the Los Rios Board of Trustees is increasing alignment in the capital region between K-12 school districts, the Los Rios colleges, and four-year university partners including Sacramento State University and the University of California at Davis. Los Rios received a grant from the Foundation for California Community Colleges to explore a regional collaboration to increase alignment across the ecosystem of education in the capital region. The focus of the grant is on a collective impact process. The grant has made possible a partnership with Align USA, a group based in Nashville, Tennessee, and Valley Vision to develop a process to engage the community and business leaders. For many years, Los Rios has participated in the NextEd organization. NextEd is an auxiliary organization of the Sacramento Metro Chamber of Commerce focused on collaboration between the education and business communities. In recent discussion of future direction, a consensus has emerged that NextEd must undergo a fundamental shift to build the capacity needed to accomplish the goals.

STATUS:
Los Rios has been actively engaged in the collective impact process and the reimagining of NextEd. The Chancellor will be joined by regional leaders to provide an overview of the regional education alignment.

RECOMMENDATION:
This item is presented for the Board of Trustees’ information and discussion.
BACKGROUND:
In 2014, CRC was selected as one of 13 colleges (4 community colleges and 9 four year schools) to participate in SMUD’s Tiny House Competition, a two year long process. The competition will be judged this fall on categories including architectural design, livability, communication, affordability, energy efficiency and balance.

STATUS:
The Tiny House Competition demonstrates the collaborative culture of CRC with local industry, workforce partners and our public utility. It also highlights CRC’s commitment to environmental sustainability and ability of our students to successfully compete with students from universities. Tiny House student participants design and construct a small, net zero residential building that incorporates the latest advancements in building design and efficiency. Teams from colleges and universities across the state of California compete for awards in 10 different categories, each with an attached monetary award. This year, our students will be competing against their counterparts at schools such as Cal Poly, San Luis Obispo, UC, Berkeley and the University of Southern California. The project is interdisciplinary, pulling students from the Architecture, Architectural Design Technology, Building Inspection Technology, Construction and Construction Management Technology programs. The program serves as a workforce simulation, mimicking real-world conditions in the building trades industries where professionals and skilled tradespeople interact on building projects. Student participants from the Architecture and Architectural Design Technology departments walk away from the project with an actual constructed design that they can add to their portfolios when applying for transfer to 4-year programs. Student participants from the Building Inspection program apply plan review skills while the Construction Management students estimate the cost of the project. The Construction program students learn skills in green building and energy efficient construction that make them highly employable in our rebounding residential construction market.

RECOMMENDATION:
